

Chamber Dashboard Quick Reference

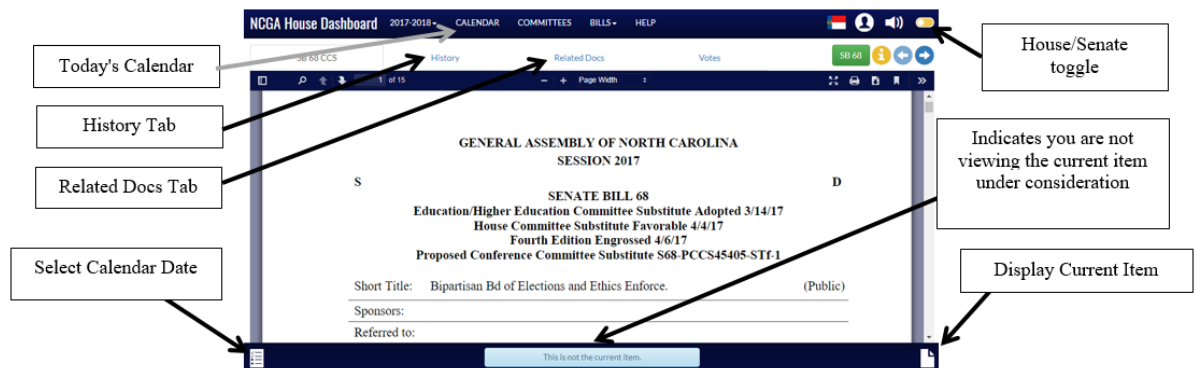

The North Carolina General Assembly Chamber Dashboard is designed to supply the tools necessary to electronically follow Chamber-related activities by providing a real time representation of what is happening in the House and Senate Chambers. The application is designed for use on a computer, an iPad or an Android tablet*.

The Chamber Dashboard for the current legislative session will be displayed when the Dashboard is accessed (<http://dashboard.ncleg.net>). Click the area for the Chamber you wish to view.

Current Item :

Sets the display to the current item under consideration. As long as the user is on this option, the display will change when a new item is under consideration. Access to supporting information for the item (history and related documents) is available by clicking the appropriate tab.

History:

The History tab is available when viewing an item on the Legislative Calendar. Clicking this tab will display the action history for the item with the most current listed first.

Related Docs:

When viewing the text of the current item or an item on the calendar, the Related Docs tab is available. Clicking this tab will display the Bill Digest and other related documents (research bill summary, fiscal note, conference report).

Calendar:

The **CALENDAR** link at the top of the screen displays a list of bills in the order they appear on the Calendar for the current day. Clicking an item allows access to the text of the item, history, and related documents. The current item is designated as well as items that have already been considered. At the bottom left, another calendar icon  appears which provides a date selection screen to select a Calendar from a different date to view.

The screenshot displays the NCGA Senate Dashboard for July 22, 2023. The dashboard lists various bills with their titles, status, and vote counts. Annotations are present:

- A box labeled "Actions taken" has arrows pointing to the "Amendments" and "Amendments" buttons for bills HB 405 A1 and HB 329 SCS.
- A box labeled "Item Currently under Consideration highlighted in yellow" has an arrow pointing to the row for HB 315 SCS, which is highlighted in yellow.
- A box labeled "Display Current Item" has an arrow pointing to the "Amendments" button for the currently selected item, HB 315 SCS.
