27 amended by adding a new section to read:

28 **"§ 160A-383.6. Temporary event venues authorized.**

29 (a) A city may, by ordinance, establish a process to permit temporary event venues as
30 provided in this section. A temporary event venue shall be defined as an existing publicly or
31 privately owned building or structure suitable for use as a site for public or private events relating
32 to entertainment, education, marketing, meetings, sales, trade shows, and any other activities or
33 occasions that the city may, by ordinance, authorize. A temporary event shall be one lasting no
34 longer than 72 hours.

35 (b) A city may consider a temporary event venue as a permitted accessory use in any of
36 its zoning districts. Enactment of a temporary event venue ordinance and issuance of a temporary
37 event permit under this section shall not be considered a zoning map amendment under this
38 Article.

39 (c) Only one temporary event venue shall be allowed on a lot or parcel of land. The
40 temporary event venue permitted under this section shall not require a special use permit or be
41 subjected to any other local zoning requirements beyond those imposed upon other authorized
42 accessory use structures, except as otherwise provided in this section. Except as provided in
43 subsection (h) of this section, for each temporary event venue issued a permit under this section,
44 no more than 24 temporary events may be conducted in a calendar year.

45 (d) An ordinance authorizing temporary event venues shall set forth the following:

50 to issue a temporary event venue permit. The criteria shall include the

1 character of the district in which the permit is sought and the site's suitability

4 authorized in the venue.

5 (5) The duration of the temporary event venue permit.

6 (6) Any capacity limitations of the temporary event venue.

7 (7) The fee structure for the fees authorized by this section.

8 (8) Any other relevant matters.

9 (e) Any person proposing to operate a temporary event venue shall first obtain a permit
10 from the city. The issuance of a temporary event venue permit shall not be considered a
11 quasi-judicial act. The city may charge a fee of up to one hundred dollars (\$100.00) for the initial
12 permit and an annual renewal fee of up to fifty dollars (\$50.00). Before issuing or renewing a
13 temporary event venue permit, a city shall conduct an inspection of the proposed temporary event
14 venue to ensure that the health, safety, and welfare of the public will not be impaired by
15 attendance at or participation in a temporary event. The inspection shall address the general
16 structural stability of the temporary event venue, its fire safety, and whether it has sufficient toilet
17 facilities taking into consideration its capacity.

18 (f) Subject to the provisions of this subsection, a city may require the permit applicant to
19 take reasonable measures to address any safety or public health concerns raised by the inspection
20 conducted under subsection (e) of this section. No permit shall be required under the North
21 Carolina State Building Code or any local variant approved under G.S. 143-138(e) for any
22 construction, installation, repair, replacement, or alteration of a temporary event venue either
23 required by the city as a result of the inspection conducted under subsection (e) of this section or
24 undertaken by the permittee to otherwise improve the temporary event venue. A city may require
25 use of temporary toilet facilities at temporary events. Nothing in this section shall be construed
26 to exempt a temporary event venue from compliance with federal laws, rules, or regulations.

27 (g) The Building Code Council shall create an inspection checklist that may be used by
28 counties and cities for inspections conducted under subsection (e) of this section. Nothing shall
29 prohibit counties and cities from conducting inspections and issuing temporary event venue
30 permits prior to promulgation by the Building Code Council of the checklist.

31 (h) Nothing shall preclude a permittee operating under a temporary event venue permit
32 from seeking a rezoning of the parcel to a zoning district that would allow a permitted use of the
33 venue for events of the type authorized by a temporary event permit. Any such rezoning
34 application would be subject to the requirements of this Article. If a rezoning application is
35 submitted in good faith, a city may authorize the temporary event venue to hold more than 24
36 temporary events in one calendar year while the rezoning is pending. If the temporary event
37 venue is rezoned, the temporary event venue permit shall become void and the venue shall
38 operate under all rules, regulations, and requirements of law, including the North Carolina State
39 Building Code, any local variant under G.S. 143-138(e), and city ordinances."
