12 no change in criminal history since the prior check from an applicant or key person who has  
13 submitted to a criminal history record check in this or any other state within the previous 12  
14 months. The Commission may not award a license to any applicant who has been convicted, or  
15 a key person of the applicant has been convicted, of a felony or any gambling offense in any state  
16 or federal court of the United States within 10 years of application or renewal.

34 "§ 18C-913. Reserved for future codification purposes.

35 "§ 18C-914. Integrity of competition and prohibited events.

36       (a) A sports governing body may submit to the Commission in writing a request to  
37 restrict, limit, or exclude a certain type, form, or category of sports wagering with respect to  
38 sporting events of such body, if the sports governing body believes that such type, form, or  
39 category of sports wagering with respect to sporting events of such body may undermine the  
40 integrity or perceived integrity of such body or sporting events of such body. The Commission  
41 shall request comment from sports wagering operators on all such requests. After giving due  
42 consideration to all comments received, the Commission shall, upon a demonstration of good  
43 cause from the requestor that such type, form, or category of sports wagering is likely to  
44 undermine the integrity or perceived integrity of such body or sporting events of such body, grant  
45 the request. The Commission shall respond to a request concerning a particular event before the  
46 start of the event, or if it is not feasible to respond before the start of the event, no later than seven  
47 days after the request is made. If the Commission determines that the requestor is more likely  
48 than not to prevail in successfully demonstrating good cause for its request, the Commission may  
49 provisionally grant the request of the sports governing body until the Commission makes a final  
50 determination as to whether the requestor has demonstrated good cause. Absent such a  
51 provisional grant by the Commission, sports wagering operators may continue to offer sports

1 wagering on sporting events that are the subject of such a request during the pendency of the  
2 Commission's consideration of the applicable request.

3 (b) The Commission and interactive sports wagering operators shall cooperate with  
4 investigations conducted by sports governing bodies or law enforcement agencies, including  
5 using commercially reasonable efforts to provide or facilitate the provision of sports wagering  
6 information. All disclosures under this section are subject to an interactive sports wagering  
7 operator's obligations to comply with all federal, State, and local laws and regulations, including  
8 those relating to privacy and personally identifiable information.

9 (c) Interactive sports wagering operators are not required to use official league data for  
10 determining any of the following:

11 (1) The results of tier one sports wagers on sporting events of any organization  
12 whether headquartered in the United States or elsewhere.

13 (2) The results of tier two sports wagers on sporting events of organizations that  
14 are not headquartered in the United States.

15 (d) A sports governing body may notify the Commission that it desires interactive sports  
16 wagering operators to use official league data to settle tier two sports wagers on sporting events  
17 of such sports governing body. Such notification shall be made in the form and manner as the  
18 Commission may require. The Commission shall notify each interactive sports wagering operator  
19 of a sports governing body's notification within five days of the Commission's receipt of such  
20 notification. If a sports governing body does not so notify the Commission, an interactive sports  
21 wagering operator is not required to use official league data for determining the results of tier  
22 two sports wagers on sporting events of such sports governing body.

23 (e) Within 60 days of the Commission notifying each interactive sports wagering  
24 operator of such a sports governing body notification to the Commission, or such longer period  
25 as may be agreed between the sports governing body and the applicable interactive sports  
26 wagering operator, interactive sports wagering operators shall use only official league data to  
27 determine the results of tier two sports wagers on sporting events of that sports governing body,  
28 unless any of the following apply:

29 (1) The sports governing body or its designee cannot provide a feed of official  
30 league data to determine the results of a particular type of tier two sports  
31 wager, in which case interactive sports wagering operators are not required to  
32 use official league data for determining the results of the applicable tier two  
33 sports wager until such time as such a data feed becomes available from the  
34 sports governing body on commercially reasonable terms and conditions.

35 (2) An interactive sports wagering operator can demonstrate to the Commission  
36 that the sports governing body or its designee will not provide a feed of official  
37 league data to the interactive sports wagering operator on commercially  
38 reasonable terms and conditions.

39 (3) The sports governing body or its designee does not obtain a license from the  
40 Commission to provide official league data to interactive sports wagering  
41 operators to determine the results of tier two sports wagers, if and to the extent  
42 required by law.

43 (f) During the pendency of the Commission's determination as to whether a sports  
44 governing body or its designee will provide a feed of official league data on commercially  
45 reasonable terms, an interactive sports wagering operator is not required to use official league  
46 data for determining the results of tier two sports wagers. The Commission's determination shall  
47 be made within 60 days of the interactive sports wagering operator notifying the Commission  
48 that it desires to demonstrate that the sports governing body or its designees will not provide a  
49 feed of official league data to the sports wagering operator on commercially reasonable terms.  
50 The following is a non-exclusive list of factors the Commission may consider in evaluating

1 whether official league data is being offered on commercially reasonable terms and conditions  
2 for purposes of this subsection and subsections (d) and (e) of this section:

- 3 (1) The extent to which interactive sports wagering operators have purchased the  
4 same or similar official league data on the same or similar terms, particularly  
5 in jurisdictions where such purchase was not required by law, or was required  
6 by law, but only if offered on commercially reasonable terms.
- 7 (2) The nature and quantity of the official league data, including its speed,  
8 accuracy, reliability, and overall quality, as compared to comparable  
9 non-official data.
- 10 (3) The quality and complexity of the process used to collect and distribute the  
11 official league data as compared to comparable non-official data.
- 12 (4) The availability of a sports governing body's tier two official league data to a  
13 sports wagering operator from more than one authorized source.
- 14 (5) Market information, including price and other terms and conditions, regarding  
15 the purchase by interactive sports wagering operators of comparable data for  
16 the purpose of settling sports wagers in this State and other jurisdictions.
- 17 (6) The extent to which sports governing bodies or their designees have made data  
18 used to settle tier two sports wagers available to interactive sports wagering  
19 operators and any terms and conditions relating to the use of that data.
- 20 (7) Any other information the Commission deems relevant.

21 (g) Interactive sports wagering operators shall, as soon as practicable, report to the  
22 Commission any information relating to abnormal betting activity or patterns that may indicate  
23 a concern with the integrity of a sporting event or events, or any other conduct that corrupts a  
24 sports wagering outcome of a sporting event or events for purposes of financial gain, including  
25 match fixing. The interactive sports wagering operator making such a report shall also  
26 simultaneously report such information to the relevant sports governing body.

45 who willfully furnishes, supplies, or otherwise gives false information on the interactive sports  
46 wagering license application shall be guilty of a Class I felony.

47 (e) Nothing in this Article shall be construed to allow the interactive sports wagering

50 **"§ 18C-919.** Reserved for future codification purposes.

51 **"§ 18C-920. Tax.**

1       (a) There shall be imposed a tax of eight percent (8%) on the adjusted gross revenue of  
2 each interactive sports wagering operator. The tax imposed pursuant to this section is due  
3 monthly to the Commission and shall be remitted on or before the twentieth day of the next  
4 succeeding calendar month. If the interactive sports wagering operator's accounting practices  
5 necessitate corrections to a previously remitted tax, the interactive sports wagering operator shall  
6 document such corrections when the interactive sports wagering operator pays the following  
7 month's taxes.

8       (b) If the interactive sports wagering operator's adjusted gross revenue for a month is a  
9 negative number, the interactive sports wagering operator may carry over the negative amount  
10 to a remission required under subsection (a) of this section within 12 months and deduct such  
11 amount from its tax liability for that month.

12       (c) After reimbursement of expenses in implementing its responsibilities under this  
13 Article and payments as provided in subsection (d) of this section, the Commission shall remit  
14 all tax payments collected pursuant to this section and all license fees collected pursuant to this  
15 Article to the Department of Revenue. The Commission shall document all expenses for which  
16 deduction from the payments owed is asserted, which documentation shall be subject to audit by  
17 the State.

18       (d) The Commission shall remit fifty percent (50%) of the tax collected in subsection (a)  
19 of this section to the North Carolina Major Events, Games, and Attractions Fund established  
20 under G.S. 143A-437.112.

21       (e) Interactive sports wagering operators shall not be subjected to an excise tax, license  
22 tax, permit tax, privilege tax, amusement tax, or occupation tax that is imposed upon the  
23 interactive sports wagering operator by the State or any political subdivision thereof, except as  
24 provided in this Article.

30 days of the end of that fiscal year. A copy shall also be provided to the State  
31 Controller.

32 **"§ 18C-921.** Reserved for future codification purposes.

33 **"§ 18C-922. Voluntary exclusion program.**

34       (a) Any individual shall be able to voluntarily exclude themselves from placing sports  
35 wagers through a voluntary exclusion program established by the Commission. Interactive sports  
36 wagering operators shall use reasonable means to comply with exclusion of individuals  
37 participating in the program by the Commission.

38       (b) The Commission shall adopt rules to establish the voluntary exclusion program,  
39 which shall comply with all of the following:

41 how long, up to and including that individual's lifetime.
