24 scope of practice of the license possessed by that licensed professional, and
25 the services performed are commensurate with the licensed professional's
26 education, training, and experience. The behavior technician does not design

36 found to be in violation of this Article.
- 37 (e) When considering whether an applicant or licensee is physically or mentally capable
38 of practicing behavior analysis with reasonable skill and safety with patients or clients, the Board
39 may petition a court of competent jurisdiction to order the applicant or licensee to submit to a
40 psychological evaluation by a psychologist to determine psychological status or a physical
41 evaluation by a physician to determine physical condition, or both, upon a showing of probable
42 cause to the Board that the applicant or licensee is not capable of practicing behavior analysis
43 with reasonable skill and safety with patients or clients. The psychologist or physician that
44 conducts an evaluation of the applicant or licensee shall be designated by the court of competent
45 jurisdiction. The Board shall be responsible for the expenses of evaluations ordered under this
46 subsection. If the applicant or licensee raises the issue of mental or physical competence or

1 (f) Except as provided otherwise in this Article, the procedure for revocation, suspension,
2 denial, limitations of the license, or other disciplinary, remedial, or rehabilitative actions shall be
3 in accordance with the provisions of Chapter 150B of the General Statutes. The Board is required

5 applicant whose license is denied or to whom licensure is offered subject to any restrictions,
6 probation, disciplinary action, remediation, or other conditions or limitations or to any licensee
7 before revoking, suspending, or restricting a license or imposing any other disciplinary action or
8 remediation. If the applicant or licensee waives the opportunity for a hearing, the Board's denial,
9 revocation, suspension, or other proposed action becomes final without a hearing having been
10 conducted. Notwithstanding the foregoing, no applicant or licensee is entitled to a hearing for
11 failure to pass an examination.

12 (g) In any proceeding, record of hearing, complaint, notice of charges, or decision before
13 the Board, the Board may withhold from public disclosure the identity of any clients or patients
14 who have not consented to the public disclosure of behavior analysis services having been
15 provided by the licensee or applicant. The Board may close a hearing to the public and receive
16 in executive session evidence involving or concerning the treatment of or delivery of behavior
17 analysis services to a client or a patient who has not consented to the public disclosure of
18 treatment or services as may be necessary for the protection and rights of the patient or client of
19 the accused applicant or licensee and the full presentation of relevant evidence. All records,
20 papers, and other documents containing information collected and compiled by or on behalf of
21 the Board, as a result of investigations, inquiries, or interviews conducted in connection with
22 licensing or disciplinary matters, will not be considered public records as defined in G.S. 132-1.
23 However, any notice or statement of charges, notice of hearing, or decision against or to any
24 licensee or applicant shall be a public record notwithstanding that it may contain information
25 collected and compiled as a result of an investigation, inquiry, or hearing except that identifying
26 information concerning the treatment or delivery of services to a patient or client who has not
27 consented to the public disclosure of treatment or services shall be deleted. If any record, paper,
28 or other document containing information collected and compiled by or on behalf of the Board
29 is received and admitted in evidence in any hearing before the Board, it shall be a public record,
30 subject to any deletions of identifying information concerning the treatment or delivery of
31 behavior analysis services to a patient or client who has not consented to the public disclosure of
32 treatment or services.

33 (h) A license issued under this Article is suspended automatically by operation of law
34 after failure to renew a license for a period of more than 60 days after the renewal date. The
35 Board may reinstate a license suspended under this subsection upon payment of a fee as specified
36 in G.S. 90-726.13 and may require that the applicant file a new application, furnish references,
37 update credentials, or submit to examination for reinstatement. Notwithstanding any provision to
38 the contrary, the Board retains full jurisdiction to investigate alleged violations of this Article by
39 any individual whose license is suspended under this subsection, and, upon proof of any violation
40 of this Article by any individual, the Board may take disciplinary action as authorized by this
41 section.

42 (i) An individual whose license has been denied or revoked may reapply to the Board for
43 licensure after the passage of one calendar year from the date of the denial or revocation.

44 (j) A licensee may voluntarily relinquish a license at any time with the consent of the
45 Board. The Board may delay or refuse granting consent as necessary in order to investigate any
46 pending complaint, allegation, or issue regarding violation of any provision of this Article by the
47 licensee. Notwithstanding any provision to the contrary, the Board retains full jurisdiction to
48 investigate alleged violations of this Article by any individual whose license is relinquished under
49 this subsection, and, upon proof of any violation of this Article by any individual, the Board may
50 take disciplinary action as authorized by this section.

51 (k) The Board may adopt rules to interpret and implement the provisions of this section.

1 **"§ 90-726.13. Fees.**

2 The Board may collect fees established by its rules, but those fees shall not exceed the
3 amounts listed below:

- 4 (1) Application fee for licensure..... \$250.00.
- 5 (2) License renewal..... \$200.00.
- 6 (3) Late renewal fee..... \$50.00.
- 7 (4) Reciprocal license application..... \$250.00.
- 8 (5) Temporary license application..... \$100.00.

9 **"§ 90-726.14. Criminal history record checks of applicants for licensure.**

10 (a) All applicants for licensure shall consent to a criminal history record check. Refusal
11 to consent to a criminal history record check may constitute grounds for the Board to deny
12 licensure to an applicant. The Board shall be responsible for providing to the North Carolina
13 Department of Justice the applicant's fingerprints to be checked, a form signed by the applicant
14 consenting to the criminal history record check and the use of fingerprints and other identifying
15 information required by the State or National Repositories, and any additional information
16 required by the Department of Justice. The Board shall keep all information obtained in
17 accordance with this section confidential.

18 (b) The cost of the criminal history record check and the fingerprinting shall be paid by
19 the applicant. The Board shall collect any fees required by the Department of Justice and shall
20 remit the fees to the Department of Justice for expenses associated with conducting the criminal
21 history record check.

22 (c) If an applicant's criminal history record reveals one or more criminal convictions, the
23 conviction shall not automatically bar licensure. The Board shall consider all of the following
24 factors regarding the conviction:

- 25 (1) The level of seriousness of the crime.
- 26 (2) The date of the crime.
- 27 (3) The age of the individual at the time of conviction.
- 28 (4) The circumstances surrounding the commission of the crime, if known.
- 29 (5) The nexus between the criminal conduct of the individual and the job duties
30 of the position to be filled.
- 31 (6) The applicant's prison, jail, probation, parole, rehabilitation, and employment
32 records since the date the crime was committed.

33 (d) If, after reviewing the factors, the Board determines that any of the grounds to deny
34 licensure exist, the Board may deny licensure of the applicant. The Board may disclose to the
35 applicant information contained in the criminal history record that is relevant to the denial if
36 disclosure of the information is permitted by applicable State and federal law. The Board shall
37 not provide a copy of the criminal history to the applicant. The applicant shall have the right to
38 appear before the Board to appeal the Board's decision. An appearance before the full Board shall
39 constitute an exhaustion of administrative remedies in accordance with Chapter 150B of the
40 General Statutes.

36 **SECTION 1.(c)** The North Carolina Behavior Analysis Board shall adopt temporary
