16 educational, research, and community service missions of the System.

17 The Board of Directors shall submit all initial policies and regulations adopted pursuant to  
18 this section to the Division of Purchase and Contract for review upon adoption by the Board. Any  
19 subsequent changes to these policies and regulations adopted by the Board shall be submitted to

29 to this section shall not be subject to statutes applicable to the acquisition or disposition of interest  
30 in real property by or on behalf of State agencies, including, without limitation, the provisions of

44 undertaken by the System or its component units that are on or within privately owned real

48 **"§ 116-350.55. Bonds and notes.**

49       (a) Bonds and Notes. – In addition to the provisions of Article 3 of Chapter 116D of the  
50 General Statutes, the System shall be authorized to issue bonds and notes on behalf of itself or  
51 any component units or System affiliate in accordance with the provisions of Article 3 of Chapter

1 116D of the General Statutes, in the same manner and for the same purposes as the Board of  
2 Governors of The University of North Carolina may issue bonds and notes as provided for  
3 therein. In doing so, the System shall have the same powers conferred upon the Board of  
4 Governors by such Article and, for purposes of this section, references in such Article to the  
5 Board of Governors shall mean and be deemed to include the System.

6 (b) Notwithstanding subsection (a) of this section, in connection with the issuance of  
7 bonds or notes of the System in accordance with this section and Article 3 of Chapter 116D of  
8 the General Statutes, the following provisions shall apply:

13 the System pursuant to this section and Article 3 of Chapter 116D of the  
14 General Statutes.

15 (3) Notwithstanding G.S. 116D-26(b), except as otherwise provided in Article 3  
16 of Chapter 116D of the General Statutes, special obligation bond projects may  
17 be undertaken, special obligation bonds may be issued, and other powers  
18 vested in the Board under this section may be exercised by the Board without  
19 obtaining the consent of any department, division, commission, board, bureau,  
20 or agency of the State and without any other proceedings or the happening of  
21 any other conditions or things other than those proceedings, conditions, or  
22 things which are specifically required by this section and Article 3 of Chapter  
23 116D of the General Statutes.

24 (4) Nothing herein shall limit or restrict the right of the System to obtain a loan

30 not comply with G.S. 55A-11-02 as required by G.S. 55A-11-09(b)(3). For the purposes of this  
31 section, the University of North Carolina Health Care System is deemed an unincorporated  
32 "business entity" as defined in G.S. 55A-11-09(a) and the University of North Carolina Health  
33 Care System or the University of North Carolina Hospitals is the surviving business entity of any  
34 merger effected pursuant to this section. For any plan of merger pursuant to this section, along  
35 with the applicable items set forth in the articles of merger under G.S. 55A-11-09(d), the  
36 University of North Carolina Health Care System shall set forth reference to this section.  
37 G.S. 55A-11-09(e) does not apply to a merger under this section.

38 **"§ 116-350.65. Public records.**

39 The following records of the System are not public records under Chapter 132 of the General  
40 Statutes:

41 (1) Records related to patient care and patient services, including, but not limited  
42 to, patient records, vendor contracts, quality initiatives, quality measures, and

2 into cooperative agreements with any other entity for the provision of health care, including the  
3 acquisition, allocation, sharing, or joint operation of hospitals or any other health care facilities  
4 or health care provider, without regard to their effect on market competition. When partnering  
5 with community hospitals and other health systems in various regions of the State, the System is  
6 acting according to State policy by ensuring that health care is made available to all parts of North  
7 Carolina; its activities constitute "State action" for purposes of antitrust law. The General  
8 Assembly intends that these agreements are immune from the application of federal and State  
9 antitrust law.

10 "Part 2. Liability Insurance or Self-Insurance.

11 **"§ 116-350.100. Authorization to secure insurance or provide self-insurance.**

12 The Board is authorized through the purchase of contracts of insurance or the creation of

14 System, UNC Hospitals, System affiliates, and individual health care practitioners with coverage  
15 against claims of personal or entity tort liability based on conduct within the course and scope of  
16 health care functions undertaken by such entities or individuals as employees, agents, or officers  
17 of (i) the System, (ii) the University of North Carolina Hospitals at Chapel Hill, or (iii) any health

27 **regulations; defense of actions against covered persons; application of**  
28 **G.S. 143-300.6.**

29 (a) In the event the Board elects to act as self-insurer of a program of liability insurance,  
30 it may establish one or more insurance trust accounts to be used only for the purposes authorized  
31 by this Article; provided, however, said program of liability insurance shall not be subject to  
32 regulation by the Commissioner of Insurance. The Board is authorized to receive and accept any  
33 gift, donation, appropriation, or transfer of funds made for the purposes of this section and to  
34 deposit such funds in the insurance trust accounts. All expenses incurred in collecting, receiving,  
35 and maintaining such funds and in otherwise administering the self-insured program of liability  
36 insurance shall be paid from such insurance trust accounts.

37 (b) Subject to all requirements and limitations of this Article, the Board is authorized to  
38 adopt rules and regulations for the establishment and administration of the self-insured program  
39 of liability insurance, including, but not limited to, rules and regulations concerning the eligibility  
40 for and terms and conditions of participation in the program, the assessment of charges against  
41 participants, the management of the insurance trust accounts, and the negotiation, settlement,  
42 litigation, and payment of claims.

43 (c) The Board is authorized to create a UNC Health Liability Insurance Trust Fund  
44 Council composed of not more than 13 members; one member each shall be appointed by the  
45 State Attorney General, the State Insurance Commissioner, the Director of the Office of State  
46 Budget and Management, and the State Treasurer; the remaining members shall be appointed by  
47 the Board. Subject to all requirements and limitations of this Article and to any rules and  
48 regulations adopted by the Board under the terms of subsection (b) of this section, the Board may  
49 delegate to the UNC Health Liability Insurance Trust Fund Council responsibility and authority  
50 for the administration of the self-insured liability insurance program and of the insurance trust  
51 accounts established pursuant to such program.

1        (d) Defense of all suits or actions against an individual health care practitioner who is

3 provisions of this Article may be provided by the Attorney General in accordance with the  
4 provisions of G.S. 143-300.3 of Article 31A of Chapter 143; provided, that in the event it should  
5 be determined pursuant to G.S. 143-300.4 that defense of such a claim should not be provided  
6 by the State, or if it should be determined pursuant to G.S. 143-300.5 and G.S. 147-17 that  
7 counsel other than the Attorney General should be employed or, if the individual health care  
8 practitioner is not an employee of the State as defined in G.S. 143-300.2, then private legal  
9 counsel may be employed by the UNC Health Liability Insurance Trust Fund Council and paid  
10 for from funds in the insurance trust accounts.

11        (e) For purposes of the requirements of G.S. 143-300.6, the coverage provided State  
12 employees by any self-insured program of liability insurance established by the Board pursuant  
13 to the provisions of this Article shall be deemed to be commercial liability insurance coverage  
14 within the meaning of G.S. 143-300.6(c).

15        (f) By rules or regulations adopted by the Board in accordance with subsection (b) of this  
16 section, the Board may provide that funds maintained in insurance trust accounts under such a  
17 self-insured program of liability insurance may be used to pay any expenses, including damages  
18 ordered to be paid, which may be incurred by the System or the University of North Carolina  
19 Hospitals at Chapel Hill with respect to any tort claim, based on alleged negligent acts in the  
20 provision of health care services, which may be prosecuted under the provisions of Article 31 of  
21 Chapter 143 of the General Statutes.

24 the fund shall be determined by an independent actuary but shall be no less than three hundred  
25 thousand dollars (\$300,000). Annual contributions to said fund shall be made in an amount to be  
26 determined each year by the UNC Health Liability Insurance Trust Fund Council upon the advice  
27 of an independent actuary and shall include amounts necessary to pay all costs of administration  
28 of the self-insurance program and claims adjustment, including litigation in addition to amounts  
29 necessary to pay claims. Contributions shall be no less than one hundred fifty percent (150%) of  
30 the amounts actually paid each year on medical malpractice claims until such time as the UNC  
31 Health Liability Insurance Trust Fund Council, with the advice of an independent actuary and  
32 the approval of the Board, determines that an annual contribution in a lesser amount will not  
33 impair the adequacy of the fund to satisfy existing and potential health care malpractice claims  
34 for a period of one year.

35        (b) Claims certified to be paid from the fund shall be paid in the order of award or  
36 settlement. In the event that the fund created hereunder shall at any time have insufficient funds  
37 to assure that both existing and future claims will be paid, the Board is hereby authorized to  
38 borrow necessary amounts up to thirty million dollars (\$30,000,000) per established  
39 self-insurance trust fund account to replenish the fund. The Board shall maintain funds in each  
40 self-insurance trust at no less than one hundred thousand dollars (\$100,000) at all times.

41        (c) Funds borrowed by the Board to replenish the trust fund account may be secured by  
42 pledging noncapital assets of the members. Members shall mean those entities, agencies,  
43 departments, or divisions of the System which directly contribute funds to the self-insurance  
44 trust. In no event shall individual health care providers be deemed members for the purposes of  
45 this section.

46        (d) Obligations issued under the provisions of this Part shall not be deemed to constitute  
47 a debt, liability, or obligation of the State or of any political subdivision thereof or a pledge of  
48 the faith and credit of the State or of any such political subdivision but shall be payable solely  
49 from the revenues or assets of the members. Each obligation issued under this Part shall contain  
50 on the face thereof a statement to the effect that the System shall not be obligated to pay the same  
51 nor the interest thereon except from the revenues or assets pledged therefor and that neither the

1 faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged  
 2 to the payment of the principal of or the interest on such obligation.

3 **"§ 116-350.115. Termination of fund.**

4 Any fund created hereunder may be terminated by the Board upon their determination that  
 5 other satisfactory and adequate arrangements have been made to assure that both existing and  
 6 future health care malpractice claims or judgments against the participants in the self-insurance  
 7 program will be paid and satisfied. Upon the termination of any fund pursuant to this section, the  
 8 full amount remaining in such fund upon termination less any outstanding indebtedness shall  
 9 promptly be repaid to the System and allocated among the participating entities according to their  
 10 respective contributions as determined by the Board.

11 **"§ 116-350.120. Sovereign immunity.**

12 Nothing in this Article shall be deemed to waive the sovereign immunity of the State.

13 **"§ 116-350.125. Confidentiality of records.**

14 Records pertaining to the liability insurance program, including all information,  
 15 correspondence, investigations, or interviews concerning or pertaining to claims or potential  
 16 claims against participants in the self-insurance program or to the program or applications for  
 17 participation in the program shall not be considered public records under Chapter 132 of the  
 18 General Statutes and shall not be subject to discovery under the Rules of Civil Procedure, Chapter  
 19 1A of the General Statutes.

20 **"§ 116-350.130. Further action.**

21 The Board is hereby authorized to take all action necessary to effectuate the purposes and  
 22 provisions of this Part.

23 **"§ 116-350.135. Appropriation.**

24 The funds described by this Part are appropriated and shall be used only as provided by this  
 25 Part."
