12 "SECTION 19.3. G.S. 90-414.6 reads as rewritten:

13 "**§ 90-414.6. State ownership of HIE Network data.**

14 Any data pertaining to services rendered to Medicaid and other State-funded health care
15 program beneficiaries submitted through and stored by the HIE Network pursuant to
16 G.S. 90-414.4 or any other provision of this Article shall be and will remain the sole property of
17 the State. Any data or product derived from the aggregated, de-identified data submitted to and
18 stored by the HIE Network pursuant to G.S. 90-414.4 or any other provision of this Article, shall
19 be and will remain the sole property of the State. The Authority shall not allow data it receives
20 pursuant to G.S. 90-414.4 or any other provision of this Article to be used or disclosed by or to
21 any person or entity for commercial purposes or for any other purpose other than those set forth
22 in G.S. 90-414.4(a) or G.S. 90-414.2. To the extent the Authority receives requests for electronic
23 health information as the term is defined in 45 C.F.R. § 171.102, or other medical records from
24 an individual, an individual's personal representative, or an individual or entity purporting to act
25 on an individual's behalf, the Authority (i) shall not fulfill the request and (ii) shall make available
26 to the requester and the public, via the Authority's website, educational materials about how to
27 access such information from other sources. Patient identifiers created and utilized by the
28 Authority to integrate identity data in the HIE Network, along with the minimum necessary
29 required demographic information related to those patients, shall be released to the GDAC for
30 purposes of entity resolution and master data management. These identifiers shall not be
31 considered public records pursuant to Chapter 132 of the General Statutes. In addition, the
