The adjusted market value of taxable property in a county is equal to the county's assessed taxable real property value, using the latest available data published by the Department of Revenue, divided by the county's sales assessment ratio determined under G.S. 105-289(h). The amount of matching funds for a county awarded a grant shall be published annually by the Department of Public Instruction prior to any application period. The local match requirement applied to the project shall be based on the match requirement effective at the time of the grant award. The local match requirement is calculated as follows:

The Department of Public Instruction shall not award a grant to an applicant at less than the requested amount or less than the maximum grant amounts listed in subsection (c) of this section for the purpose of reserving the amount of grant funds available for other grant applications. 2 evaluate all applications received during the grant application period and, no later than May 1 of  
3 each year, shall submit an unranked list of grant applications, to include a technical evaluation  
4 and a statement of comparison to the priorities listed in G.S. 115C-546.10 for each application,  
5 that qualify under the conditions imposed by this Article to the chairs of the Senate Committee

31 agreement.
- 32 (3) Any statement or information provided in the grant application is later  
33 determined to be materially false.
- 34 (4) Local funding is subsequently decreased from the amount provided in the  
35 grant application.

36 (d) For grant awards that, due to extraordinary circumstances, are forfeited or declined,  
37 the Department of Public Instruction may deduct reasonable administrative costs incurred by the  
38 grant recipient in connection with the project from grant funds disbursed to the grant recipient in  
39 the calculation of fund repayment. A grant recipient shall provide documentation satisfactory to

(b) For the purposes of this section, the term "lease agreement" shall include any ancillary agreements or predevelopment agreements entered into in anticipation of or in accordance with a lease. A lease agreement entered into pursuant to this subsection shall be subject to the requirements of Article 8 of Chapter 159 of the General Statutes. In determining whether the lease agreement is necessary or expedient pursuant to G.S. 159-151(a)(1) and G.S. 159-151(b)(1), the Local Government Commission may consider any other relevant construction and financing methods available to the county.

The insurer may require documentation of the medical justification for the expedited appeal. The insurer shall, in consultation with a medical doctor licensed to practice medicine in this State, provide expedited review, and the insurer or its URO shall communicate its decision in writing to the covered person and his or her provider as soon as possible, but not later than four days after receiving the information justifying expedited review. If the expedited review is a concurrent review determination, then the insurer shall remain liable for the coverage of ~~health care~~ healthcare services until the covered person has been notified of the determination. An insurer is not required to provide an expedited review for retrospective noncertifications.

(m) Disclosure of Utilization Review Requirements. – Information required to be provided under this section shall be described in detail and in easily understandable language. All of the following apply to an insurer's responsibility to disclose any utilization review procedures:

(1) Coverage and member handbook. – In the certificate of coverage and member handbook provided to covered persons, an insurer shall include a clear and comprehensive description of its utilization review procedures, including the procedures for appealing noncertifications and a statement of the rights and responsibilities of covered persons, including the voluntary nature of the appeal process, with respect to those procedures. (1) The new or amended requirement or restriction shall not be in effect unless and until the insurer's website has been updated to reflect the new or amended requirement or restriction. A claim shall not be denied for failure to obtain a prior authorization if the new or amended requirement or restriction was not in effect on the date of service of the claim.

(2) The insurer shall provide participating providers written notice of the new or amended requirement or restriction no less than 60 calendar days before the requirement or restriction is implemented.

This subsection does not apply if an insurer removes a utilization review requirement or restriction or amends a requirement or restriction to be less restrictive.

(n) Maintenance of Records. – Every insurer and URO shall maintain records of each review performed and each appeal received or reviewed, as well as documentation sufficient to demonstrate compliance with this section. The maintenance of these records, including electronic

1 reproduction and storage, shall be governed by rules adopted by the Commissioner that apply to  
2 insurers. These records shall be retained by the insurer and URO for a period of five years or, for  
3 domestic companies, until the Commissioner has adopted a final report of a general examination  
4 that contains a review of these records for that calendar year, whichever is later.

5 (n1) Utilization Review Statistics. – An insurer using utilization review shall make  
6 statistics available regarding utilization review approvals and noncertifications on its website in  
7 a readily accessible format and shall update the information available, at a minimum, on a

22 (n2) Utilization Review Determination Validity. – A utilization review determination shall  
23 be valid for the entire duration of the approved course of treatment and shall be effective  
24 regardless of any changes in dosage for a prescription drug prescribed by a provider. If an insurer  
25 requires a utilization review determination for a healthcare service for the treatment of a chronic  
26 or long-term care condition, then the utilization review determination shall remain valid for the  
27 length of the treatment and the insurer may not require the covered person to obtain a utilization

34 information documenting a prior utilization review determination, an insurer  
35 shall honor a utilization review determination granted to the covered person  
36 from a previous insurer for at least 90 calendar days of a covered person's  
37 coverage under a new health benefit plan. During this 90-day time period, an  
38 insurer may perform its own utilization review.
- 39 (2) If the insurer makes a change in coverage of, or approval criteria for, a  
40 previously authorized healthcare service, then the change in coverage or  
41 approval criteria shall not affect a covered person who received a utilization  
42 review determination before the effective date of the change for the remainder  
43 of that covered person's health benefit plan year.
- 44 (3) An insurer shall continue to honor a utilization review determination that the  
45 insurer or its URO certified for a covered person when that covered person  
46 changes products or health benefit plans under the same insurer, provided that  
47 the medically necessary services or supplies subject to the utilization review  
48 determination do not change.
- 49 (4) If a provider performs a healthcare service that is closely related to the service  
50 for which certification has already been granted by an insurer or its URO, then  
51 that insurer or its URO shall not deny a claim for the closely related service

for failure of the provider to seek or obtain a utilization review so long as the provider had notified the insurer or its URO of the performance of the closely related service both no later than three business days following the completion of the closely related service and prior to the submission of a claim for payment for that service. The submission of the notification shall include the submission of all relevant clinical information necessary for the insurer to evaluate the medical necessity of the service. Nothing in this subsection shall be construed to limit an insurer's retrospective review of medical necessity of the closely related service nor limit the need for verification of the covered person's eligibility for coverage under the health benefit plan.

(5) An insurer shall not restrict benefits for any hospital stay of a covered person in connection with childbirth for the mother or newborn child (i) following a normal vaginal delivery to less than 48 hours or (ii) following a cesarean section to less than 96 hours. An insurer shall not require that a provider obtain a utilization review determination from an insurer for prescribing the length of stay required under this subdivision.

(q) Exemptions. – This subsection shall not apply to utilization review requests that are pending review by an insurer or its URO. An insurer may not require a provider to request a utilization review for a healthcare service in order for the covered person to whom the healthcare service is being provided to receive coverage for the service if, within the most recent 12-month period, the insurer or its URO has issued certifications, or would have issued certifications, for not less than eighty percent (80%) of the utilization review requests submitted by the provider for that healthcare service. An insurer may evaluate whether a provider continues to qualify for this exemption not more than once every 12 months. All of the following apply to an exemption under this subsection:

(1) A provider is not required to request an exemption in order to qualify for the exemption.

(2) No more than once per year per healthcare service, a provider who does not receive an exemption under this subsection may request from the insurer evidence to support the insurer's decision. A healthcare provider may appeal an insurer's decision to deny the exemption.

(3) An insurer may only revoke an exemption at the end of the applicable 12-month period if the insurer does all of the following:

a. b. Provides the provider with the information the insurer relied upon in making the determination to revoke the exemption.

c. Provides the provider a plain language explanation of how to appeal the decision.

(4) If an insurer revokes an exemption, then that exemption will remain in effect until the thirtieth calendar day after the date the insurer notifies the provider of its revocation of the exemption unless the provider appeals the revocation. 7                    provider meets one of the following criteria:  
8                    a. Knowingly and materially misrepresented the healthcare service as a  
9                    part of the request for payment submitted to the insurer with the  
10                   specific intent to deceive and obtain an unlawful payment from the  
11                   insurer.  
12                   b. Failed to substantially perform the healthcare service.

13                Nothing in this subsection requires an insurer to evaluate an existing exemption or prevents  
14                an insurer from establishing a longer exemption period.

15                (r) Deemed Approval. – Any failure by an insurer or its URO to comply with the  
16                deadlines and other requirements specified in this section will result in any healthcare services

2 practice actionable under Chapter 75 of the General Statutes actionable solely by the Department  
3 against a social media platform.

4        In addition to other remedies allowed by law, the Department may collect a civil penalty of  
5 up to fifty thousand dollars (\$50,000) per violation and reasonable attorneys' fees and court costs.  
6 When the social media platform's failure to comply with this section is a consistent pattern of

8        A social media platform that knowingly or recklessly violates this section is liable to the  
9 minor account holder, including court costs and reasonable attorneys' fees. Claimants may be

25 or matter, and collect evidence. Within five days, excluding weekends and legal holidays, after  
26 the service of a subpoena or at any time before the return date specified therein, whichever is  
27 longer, the party served may file in the superior court in the county in which it resides or in which  
28 it transacts business and serve upon the enforcing authority a petition for an order modifying or  
29 setting aside the subpoena. The petitioner may raise any objection or privilege which would be  
30 available upon service of such subpoena in a civil action. The subpoena shall inform the party  
31 served of its rights under this subsection.

32        If the matter that the Department seeks to obtain by subpoena is located outside the State, the  
33 entity or person subpoenaed may make it available to the Department or its representative to  
34 examine the matter at the place where it is located. The Department may designate  
35 representatives, including officials of the state in which the matter is located, to inspect the matter  
36 on its behalf, and may respond to similar requests from officials of other states.

37        Upon failure of an entity or person without lawful excuse to obey a subpoena and upon  
38 reasonable notice to all persons affected, the Department may apply to the superior court for an  
39 order compelling compliance.

40        The Department may request that an entity or person that refuses to comply with a subpoena  
41 on the ground that testimony or matter may incriminate the entity or person be ordered by the  
42 court to provide the testimony or matter. Except in a prosecution for perjury, an entity or  
43 individual that complies with a court order to provide testimony or matter after asserting a valid  
44 privilege against self-incrimination shall not have the testimony or matter so provided, or  
45 evidence derived therefrom, received against the entity or person in any criminal investigation or  
46 proceeding.

47        Any entity or person upon whom a subpoena is served pursuant to this subsection shall  
48 comply with the terms thereof unless otherwise provided by order of the court.

49        Any entity or person that fails to appear with the intent to avoid, evade, or prevent compliance  
50 in whole or in part with any investigation under this Chapter or who removes from any place,  
51 conceals, withholds, mutilates, alters, or destroys, or by any other means falsifies any

documentary material in the possession, custody, or control of any entity or person subject to any such subpoena, or knowingly conceals any relevant information with the intent to avoid, evade, or prevent compliance shall be liable for a civil penalty of not more than five thousand dollars (\$5,000) per week in violation, reasonable attorneys' fees, and costs.

The social media platform must offer anonymous age verification and standard age verification, and a person attempting to create an account may select which method will be used to verify the person's age.

(b) A social media platform must ensure that the requirements of subsection (c) of this section are met.

(c) A third party conducting anonymous age verification pursuant to this section must comply with all of the following:

(3) Must keep anonymous any personal identifying information used to verify age. The information may not be shared or otherwise communicated to any person.

(4) Must protect personal identifying information used to verify age from unauthorized or illegal access, destruction, use, modification, or disclosure through reasonable security procedures and practices appropriate to the nature of the personal information.

(d) Any violation of subsection (a) or (b) of this section is deemed an unfair and deceptive trade practice actionable under Chapter 75 of the General Statutes solely by the Department on behalf of a resident minor against a social media platform.

If the Department has reason to believe that a social media platform is in violation, the Department may bring an action against the social media platform for an unfair or deceptive act or practice under Chapter 75 of the General Statutes. In addition to other remedies allowed by law, the Department may collect a civil penalty of up to fifty thousand dollars (\$50,000) per violation and reasonable attorneys' fees and court costs.

When the social media platform's failure to comply with subsection (a) or (b) of this section is a consistent pattern of knowing or reckless conduct, punitive damages may be assessed against the social media platform.

**"§ 114B-4. Miscellaneous provisions.**

(a) It is the intent of the General Assembly that this Chapter be liberally construed for the protection of minors.

(b) If any provision of this Chapter or its application to any person or circumstances is held invalid, the invalidity does not affect other provisions or applications of this Chapter which can be given effect without the invalid provision or application and, to this end, the provisions of this Chapter are severable."

- (2) The Commission shall defend any member, officer, executive director, employee, and representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or as determined by the Commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

3 Commission, consistent with generally accepted data protection principles.

4       (b)     Notwithstanding any other provision of state law to the contrary, a Member State shall  
5 agree to provide for the facilitation of the following Licensee information as required by the

18 power of a Member State to control and maintain ownership of its Licensee information or alter,  
19 limit, or inhibit the laws or regulations governing Licensee information in the Member State.

20 **"§ 115C-270.48. Rulemaking.**

23 become binding as of the date specified in each Rule or amendment.

24       (b)     The Commission shall promulgate reasonable Rules to achieve the intent and purpose  
25 of this interstate compact. In the event the Commission exercises its Rulemaking authority in a  
26 manner that is beyond the purpose and intent of this interstate compact, or the powers granted  
27 hereunder, then such an action by the Commission shall be invalid and have no force and effect  
28 of law in the Member States.

29       (c)     If a majority of the legislatures of the Member States reject a Rule, by enactment of a  
30 statute or resolution in the same manner used to adopt the Compact within four years of the date  
31 of adoption of the Rule, then such Rule shall have no further force and effect in any Member  
32 State.

33       (d)     Rules or amendments to the Rules shall be adopted or ratified at a regular or special  
34 meeting of the Commission in accordance with Commission Rules and bylaws.

35       (e)     Prior to promulgation and adoption of a final Rule or Rules by the Commission, and  
36 at least 30 days in advance of the meeting at which the Rule will be considered and voted upon,  
37 the Commission shall file a notice of proposed Rulemaking:

38             (1)     On the website of the Commission or other publicly accessible platform; and

39             (2)     On the website of each Member State Licensing Authority or other publicly  
40 accessible platform or the publication in which each state would otherwise  
41 publish proposed Rules.

42       (f)     Upon determination that an emergency exists, the Commission may consider and  
43 adopt an emergency Rule with 48 hours' notice, with opportunity to comment, provided that the  
44 usual Rulemaking procedures shall be retroactively applied to the Rule as soon as reasonably  
45 possible, in no event later than 90 days after the effective date of the Rule. For the purposes of  
46 this provision, an emergency Rule is one that must be adopted immediately in order to accomplish  
47 the following:

48             (1)     Meet an imminent threat to public health, safety, or welfare.

49             (2)     Prevent a loss of Commission or Member State funds.

51 established by federal law or Rule.

(4) Protect public health and safety.

**"§ 115C-270.49. Oversight, dispute resolution, and enforcement.**

**(a) Oversight.**

(1) The executive and judicial branches of the state government in each Member State shall enforce this Compact and take all actions necessary and appropriate to implement the Compact.

(2) Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a Licensee for professional malpractice, misconduct, or any such similar matter.

(3) The Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Commission service of process shall render a judgment or order void as to the Commission, this Compact, or promulgated Rules.

**(b) Default, Technical Assistance, and Termination.**

(1) If the Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the Commission may take and shall offer training and specific technical assistance regarding the default.

(2) The Commission shall provide a copy of the notice of default to the other Member States.

(c) If a state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a supermajority of the delegates of the Member States, and all rights, privileges, and benefits conferred on that state by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(d) Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting state's legislature, the defaulting State's Licensing Authority, and each of the Member States' Licensing Authorities.

(e) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(f) Upon the termination of a state's membership from this Compact, that state shall immediately provide notice to all Licensees within that state of such termination. The terminated state shall continue to recognize all Licenses granted pursuant to this Compact for a minimum of six months after the date of said notice of termination.

(g) The Commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting state.

(h) The defaulting state may appeal the action of the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its

principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(i) Dispute Resolution.

(1) Upon request by a Member State, the Commission shall attempt to resolve disputes related to the Compact that arise among Member States and between Member and non-Member States.

(2) The Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(j) Enforcement.

(1) By majority vote as provided by Rule, the Commission may initiate legal action against a Member State in default in the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or the defaulting Member State's law.

(2) A Member State may initiate legal action against the Commission in the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(3) No person other than a Member State shall enforce this Compact against the Commission.

**"§ 115C-270.50. Effective date, withdrawal, and amendment.**

(a) The Compact shall come into effect on the date on which the Compact statute is enacted into law in the seventh Member State.

(1) On or after the effective date of the Compact indicated above, the Commission shall convene and review the enactment of each of the Charter Member States to determine if the statute enacted by each such Charter Member State is materially different than the model Compact statute.

a. A Charter Member State whose enactment is found to be materially different from the model Compact statute shall be entitled to the default process set forth in G.S. 115C-270.49.

b. If any Member State is later found to be in default, or is terminated or withdraws from the Compact, the Commission shall remain in existence and the Compact shall remain in effect even if the number of Member States should be less than seven.

(2) Member States enacting the Compact subsequent to the Charter Member States shall be subject to the process set forth in subdivision (22) of subsection (c) of G.S. 115C-470.46 to determine if their enactments are materially different from the model Compact statute and whether they qualify for participation in the Compact.

(3) All actions taken for the benefit of the Commission or in furtherance of the purposes of the administration of the Compact prior to the effective date of the Compact or the Commission coming into existence shall be considered to

be actions of the Commission unless specifically repudiated by the Commission.

a. Any state that joins the Compact subsequent to the Commission's initial adoption of the Rules and bylaws shall be subject to the Rules and bylaws as they exist on the date on which the Compact becomes law in that state. Any Rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

b. Any Member State may withdraw from this Compact by enacting a statute repealing the same.

(b) A Member State's withdrawal shall not take effect until 180 days after enactment of the repealing statute.

(c) Withdrawal shall not affect the continuing requirement of the withdrawing State's Licensing Authority to comply with the investigative and Adverse Action reporting requirements of this Compact prior to the effective date of withdrawal.

(d) Upon the enactment of a statute withdrawing from this Compact, a state shall immediately provide notice of such withdrawal to all Licensees within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all Licenses granted pursuant to this Compact for a minimum of six months after the date of such notice of withdrawal.

(1) Nothing contained in this Compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a Member State and a non-Member State that does not conflict with the provisions of this Compact.

(2) This Compact may be amended by the Member States. No amendment to this Compact shall become effective and binding upon any Member State until it is enacted into the laws of all Member States.

**"§ 115C-270.51. Construction and severability.**

(a) This Compact and the Commission's Rulemaking authority shall be liberally construed so as to effectuate the purposes and the implementation and administration of the Compact. Provisions of the Compact expressly authorizing or requiring the promulgation of Rules shall not be construed to limit the Commission's Rulemaking authority solely for those purposes.

(b) The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is held by a court of competent jurisdiction to be contrary to the constitution of any Member State, a state seeking participation in the Compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this Compact and the applicability thereof to any other government, agency, person, or circumstance shall not be affected thereby.

(c) Notwithstanding subsection (b) of this section, the Commission may deny a state's participation in the Compact or, in accordance with the requirements of subsection (b) of G.S. 115C-270.49, terminate a Member State's participation in the Compact, if it determines that a constitutional requirement of a Member State is a material departure from the Compact. Otherwise, if this Compact shall be held to be contrary to the constitution of any Member State, the Compact shall remain in full force and effect as to the remaining Member States and in full force and effect as to the Member State affected as to all severable matters.

**"§ 115C-270.52. Consistent effect and conflict with other state laws.**

(a) Nothing herein shall prevent or inhibit the enforcement of any other law of a Member State that is not inconsistent with the Compact.

(b) Any laws, statutes, regulations, or other legal requirements in a Member State in conflict with the Compact are superseded to the extent of the conflict. All permissible agreements between the Commission and the Member States are binding in accordance with their terms."

**SECTION 7.48.(b)** G.S. 115C-12 is amended by adding a new subdivision to read:

"(50) Duty to Fulfill Requirements Related to School Psychologist Interstate Licensure Compact. – The State Board of Education shall be the State Licensing Authority or Licensing Authority for purposes of Article 17F of this Chapter and shall fulfill any requirements, duties, or obligations of the State Licensing Authority or Licensing Authority pursuant to that Article."

**SECTION 9D.3.(e)** A market rate shall be calculated for child care centers and homes at each rated license level for each county and for each age group or age category of enrollees and shall be representative of fees charged to parents for each age group of enrollees within the county. The North Carolina Partnership for Children, Inc., shall be responsible for compiling information on the private cash and in-kind contributions into a report, to be included in its annual report as required under G.S. 143B-168.12(d), in a format that allows verification by the Department of Revenue. ## CHILD CARE REGULATORY REFORMS

40           **SECTION 9D.9.(a)** The General Assembly recognizes the need to balance  
41 maintaining critical health, safety, and welfare standards for child care, as well as a  
42 well-established rating system used for informational purposes, with the need to move toward  
43 maximizing State funds for child care and increasing the supply of child care from State-funded  
44 sources. The General Assembly further recognizes the importance of weighing the need to  
45 decrease the cost of child care through deregulatory actions and at the same time maintain child  
46 care subsidy reimbursement rates. The purpose of this provision, in part, is to encourage the  
47 business community to partner with the State in achieving this goal.

48           **SECTION 9D.9.(b)** To that end, by May 1, 2026, the Department of Health and  
49 Human Services, Division of Child Development and Early Education (Division), shall develop  
50 a proposed plan to separate the quality rating improvement system (QRIS) from the requirements  
51 and payments for participation in the State-subsidized child care program using the market rate

study required by subsection (c) of this section and make recommendations on implementation of the plan while meeting the federal Child Care and Development Fund requirements. The Division shall submit the proposed plan to the chairs of the House and Senate Appropriations Committees, the chairs of the House and Senate Appropriations Committees on Health and Human Services, the Joint Legislative Oversight Committee on Health and Human Services, and the Fiscal Research Division by May 1, 2026. The current plan will stay in full force and effect until such time as the General Assembly first approves and adopts the proposed plan and any amendments to that plan and then the federal government approves the proposed plan and any amendments.

**SECTION 9D.9.(c)** The Division shall complete a new market rate study by May 1, 2026. This market rate study shall be made available to the public by May 1, 2026. The Division shall not implement new reimbursement rates unless approved by the federal Administration of Children and Families and authorized to do so by the General Assembly.

**SECTION 9D.9.(d)** Nothing in subsections (a) through (c) of this section shall be construed as impacting the star-rating requirements for the NC Prekindergarten (NC Pre-K) program.

utilized while demand for services at the State psychiatric hospitals has not decreased, or (ii) the LME/MCO has failed to comply with the prompt payment provisions of this section, DHHS may contract with another LME/MCO to manage the beds or bed days or, notwithstanding any other provision of law to the contrary, may pay the hospital directly.

**SECTION 9G.3.(e)** Reporting by LME/MCOs. – LME/MCOs shall be required to report to DHHS regarding the utilization of these beds or bed days.

**SECTION 9G.3.(f)** Reporting by DHHS. – By no later than December 1, 2025, and by no later than December 1, 2026, DHHS shall report to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division on all of the following:

#### **FEDERAL CHILD SUPPORT INCENTIVE PAYMENTS**

**SECTION 9J.6.(a)** Centralized Services. – The North Carolina Child Support Services (NCCSS) Section of the Department of Health and Human Services, Division of Social Services, shall retain up to fifteen percent (15%) of the annual federal incentive payments it receives from the federal government to enhance centralized child support services. To accomplish this requirement, NCCSS shall do the following:

- (1) In consultation with representatives from county child support services programs, identify how federal incentive funding could improve centralized services.
- (2) Use federal incentive funds to improve the effectiveness of the State's centralized child support services by supplementing and not supplanting State expenditures for those services.
- (3) Continue to develop and implement rules that explain the State process for calculating and distributing federal incentive funding to county child support services programs.

**SECTION 9J.6.(b)** County Child Support Services Programs. – NCCSS shall allocate no less than eighty-five percent (85%) of the annual federal incentive payments it receives from the federal government to county child support services programs to improve

effectiveness and efficiency using the federal performance measures. To that end, NCCSS shall do the following:

- (1) In consultation with representatives from county child support services programs, examine the current methodology for distributing federal incentive funding to the county programs and determine whether an alternative formula would be appropriate. NCCSS shall use its current formula for distributing federal incentive funding until an alternative formula is adopted.
- (2) Upon adopting an alternative formula, develop a process to phase in the alternative formula for distributing federal incentive funding over a four-year period.

**SECTION 9J.6.(c)** Reporting by County Child Support Services Programs. – NCCSS shall continue implementing guidelines that identify appropriate uses for federal incentive funding. To ensure those guidelines are properly followed, NCCSS shall require county child support services programs to comply with each of the following:

- (1) Submit an annual plan describing how federal incentive funding would improve program effectiveness and efficiency as a condition of receiving federal incentive funding.
- (2) Report annually on the following: (i) how federal incentive funding has improved program effectiveness and efficiency and been reinvested into their programs, (ii) documentation that the funds were spent according to their annual plans, and (iii) any deviations from their plans.

**SECTION 9J.6.(d)** Reporting by NCCSS. – NCCSS shall submit a report on federal child support incentive funding to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division by November 1 of each year. The report shall describe how federal incentive funds enhanced centralized child support services to benefit county child support services programs and improved the effectiveness and efficiency of county child support services programs. The report shall further include any changes to the State process that NCCSS used in calculating and distributing federal incentive funding to county child support services programs and any recommendations for further changes.

## **SUCCESSFUL TRANSITION/FOSTER CARE YOUTH**

**SECTION 9J.7.** The Foster Care Transitional Living Initiative Fund shall continue to fund and support transitional living services that demonstrate positive outcomes for youth, attract significant private sector funding, and lead to the development of evidence-based programs to serve the at-risk population described in this section. The Fund shall continue to support a demonstration project with services provided by Youth Villages to (i) improve outcomes for youth ages 17-21 years who transition from foster care through implementation of outcome-based Transitional Living Services, (ii) identify cost-savings in social services and juvenile and adult correction services associated with the provision of Transitional Living Services to youth aging out of foster care, and (iii) take necessary steps to establish an evidence-based transitional living program available to all youth aging out of foster care. In continuing to implement these goals, the Foster Care Transitional Living Initiative Fund shall support the following strategies:

- (1) Transitional Living Services, which is an outcome-based program that follows the Youth Villages Transitional Living Model. Outcomes on more than 7,000 participants have been tracked since the program's inception. The program has been evaluated through an independent randomized controlled trial. Results indicate that the Youth Villages Transitional Living Model had positive impacts in a variety of areas, including housing stability, earnings, economic hardship, mental health, and intimate partner violence in comparison to the control population.

- (2) Public-Private Partnership, which is a commitment by private-sector funding partners to match at least twenty-five percent (25%) of the funds appropriated to the Foster Care Transitional Living Initiative Fund for the 2025-2027 fiscal biennium for the purposes of providing Transitional Living Services through the Youth Villages Transitional Living Model to youth aging out of foster care.
- (3) Impact Measurement and Evaluation, which are services funded through private partners to provide independent measurement and evaluation of the impact the Youth Villages Transitional Living Model has on the youth served, the foster care system, and on other programs and services provided by the State which are utilized by former foster care youth.
- (4) Advancement of Evidence-Based Process, which is the implementation and ongoing evaluation of the Youth Villages Transitional Living Model for the purposes of establishing the first evidence-based transitional living program in the nation. To establish the evidence-based program, additional randomized controlled trials may be conducted to advance the model.

In the first report required by this section, the Division shall report how this data is used to investigate fraud and abuse in both SNAP and TANF. The Division shall also report on other types of data and how that data is utilized in the detection of fraud and abuse.

**SECTION 9J.8.(c)** The Division shall maintain the confidentiality of information not public under Chapter 132 of the General Statutes. ### **"§ 143-215.73N. Findings.**

The General Assembly makes the following findings:

- (1) North Carolina has 320 miles of ocean beach, including some of the most pristine and attractive beaches in the country.
- (2) The balance between economic development and quality of life in North Carolina has made our coast one of the most desirable along the Atlantic Seaboard.
- (3) North Carolina's beaches are vital to the State's tourism industry.
- (4) North Carolina's beaches belong to all the State's citizens and provide recreational and economic benefits to our residents statewide.
- (5) Beach erosion can threaten the economic viability of coastal communities and can significantly affect State tax revenues.
- (6) The Atlantic Seaboard is vulnerable to hurricanes and other coastal storms, and it is prudent to take precautions such as beach nourishment that protect and conserve the State's beaches and reduce property damage and flooding.

- (7) Beach renourishment as an erosion control method provides hurricane flood protection, enhances the attractiveness of beaches to tourists, restores habitat for turtles, shorebirds, and plants, and provides additional public access to beaches.
- (8) Federal policy previously favored and assisted voluntary movement of structures threatened by erosion, but this assistance is no longer available.
- (9) Relocation of structures threatened by erosion is sometimes the best available remedy for the property owner and is in the public interest.
- (10) Public parking and public access areas are needed for use by the general public to enable their enjoyment of North Carolina's beaches.
- (11) Acquisition of high erosion hazard property by local or State agencies can reduce risk to citizens and property, reduce costs to insurance policyholders, improve public access to beaches and waterways, and protect the environment.
- (12) Beach nourishment projects such as those at Wrightsville Beach and Carolina Beach have been very successful and greatly reduced property damage during ~~Hurricane Fran~~ hurricanes and other coastal storms that have impacted the State's coast.
- (13) Because local beach communities derive the primary benefits from the presence of adequate beaches, a program of beach management and restoration should not be accomplished without a commitment of local funds to combat the problem of beach erosion.
- (14) ~~The~~ With limited exceptions, the State of North Carolina prohibits seawalls and hardening the shoreline to prevent destroying the public's beaches.
- (15) Beach nourishment is encouraged by both the Coastal Resources Commission and the U.S. Army Corps of Engineers as a method to control beach erosion.
- (16) The Department of ~~Environment and Natural Resources~~ Environmental Quality has statutory authority to assist local governments in financing beach nourishment projects and is the sponsor of several federal navigation projects that result in dredging beach-quality sand.
- (17) It is declared to be a necessary governmental responsibility to properly manage and protect North Carolina's beaches from erosion and that good planning is needed to assure a cost-effective and equitable approach to beach management and restoration, and that as part of a comprehensive response to beach erosion, sound policies are needed to facilitate the ability of landowners to move threatened structures and to allow public acquisition of appropriate parcels of land for public beach access.

**"§ 143-215.730. Beach and inlet management plan.**

(a) The Department of ~~Environment and Natural Resources~~ Environmental Quality shall compile and evaluate information on the current conditions and erosion rates of beaches, on coastal geology, and on storm and erosion hazards for use in developing a State plan and strategy for beach management and restoration. The Department of ~~Environment and Natural Resources~~ Environmental Quality shall make this information available to local governments for use in land-use planning.

(b) The Department of Environment and Natural Resources shall develop a multiyear beach management and restoration strategy and plan that does all of the following:

- (1) Utilizes the data and expertise available in the Divisions of Water Resources, Coastal Management, and Energy, Mineral, and Land Resources.
- (2) Identifies the erosion rate at each beach community and estimates the degree of vulnerability to storm and hurricane damage.

- (3) Uses the best available geological and geographical information to determine the need for and probable effectiveness of beach nourishment.
- (4) Provides for coordination with the U.S. Army Corps of Engineers, the North Carolina Department of Transportation, the North Carolina Division of Emergency Management, and other State and federal agencies concerned with beach management issues.
- (5) Provides a status report on all U.S. Army Corps of Engineers' beach protection projects in the planning, construction, or operational stages.
- (6) Makes maximum feasible use of suitable sand dredged from navigation channels for beach nourishment to avoid the loss of this resource and to reduce equipment mobilization costs.
- (7) Promotes inlet sand bypassing where needed to replicate the natural flow of sand interrupted by inlets.
- (8) Provides for geological and environmental assessments to locate suitable materials for beach nourishment.
- (9) Considers the regional context of beach communities to determine the most cost-effective approach to beach nourishment.
- (10) Provides for and requires adequate public beach access, including handicapped access.
- (11) Recommends priorities for State funding for beach nourishment projects, based on the amount of erosion occurring, the potential damage to property and to the economy, the benefits for recreation and tourism, the adequacy of public access, the availability of local government matching funds, the status of project planning, the adequacy of project engineering, the cost-effectiveness of the project, and the environmental impacts.
- (11a) Includes a four-year cycle of planned maintenance and resiliency projects for the State's beaches and inlets.
- (12) Includes recommendations on obtaining the maximum available federal financial assistance for beach nourishment.
- (13) Is subject to a public hearing to receive citizen input.

(c) Each plan shall be as complete as resources and available information allow. The Department of ~~Environment and Natural Resources~~ Environmental Quality shall revise the plan every two years and shall submit the revised plan to the General Assembly no later than March 1 of each odd-numbered year. (1) For a system with a permitted capacity of less than 3,000 dry tons of animal waste residual solids a year, sixty dollars (\$60.00).

(2) For a system with a permitted capacity of 3,000 dry tons or more of animal waste residual solids a year, one hundred eighty dollars (\$180.00).

...."

SECTION 12.10A.(b) G.S. 143-215.3D(a) is amended by adding a new subdivision to read:

"(11) Animal Waste Residual Management Systems. – The annual fee for animal waste residuals management systems is as set out in G.S. 143-215.10G."

"(1b) The fee to be charged pursuant to G.S. 143-215.3(a)(1a) for processing an application for a permit under G.S. 143-215.108 and G.S. 143-215.109 of Article 21B of this Chapter may not exceed five hundred dollars (\$500.00). The Department shall charge permit fees pursuant to G.S. 143-215.3(a)(1a) to non-Title V facilities subject to permitting under G.S. 143-215.108 and G.S. 143-215.109 of Article 21B of this Chapter according to the following schedule:

a. For facilities seeking federally enforceable limits to avoid Title V permitting, application fees of eight hundred dollars (\$800.00) and annual fees of three thousand seventy dollars (\$3,070).

b. For facilities with a potential to emit below Title V thresholds, except for general permits, application fees of one hundred dollars (\$100.00) and annual fees of four hundred dollars (\$400.00).

c. The fee for an ownership change shall be fifty dollars (\$50.00).

d. The Department may provide a discount of up to twenty-five percent (25%) on annual fees authorized by sub-subdivisions a. and b. of this subdivision.

The fee to be charged pursuant to G.S. 143-215.3(a)(1a) for processing a registration under Part 2A of this Article or Article 38 of this Chapter may not exceed fifty dollars (\$50.00) for any single registration. An additional fee of twenty percent (20%) of the registration processing fee may be assessed for a late registration under Article 38 of this Chapter. The total payment for fees that are set by the Commission under this subsection for all permits for any single facility shall not exceed seven thousand five hundred dollars (\$7,500) per year, which amount shall include all application fees and fees for administration and compliance monitoring. A single facility is defined to be any contiguous area under one ownership and in which permitted activities occur. For all permits issued under these Articles where a fee schedule is not specified in the statutes, the Commission, or other commission specified by statute shall adopt a fee schedule in a rule following the procedures established by the Administrative Procedure Act. Fee schedules shall be established to reflect the size of the emission or discharge, the potential impact on the environment, the staff costs involved, relative costs of the issuance of new permits and the reissuance of existing permits, and shall include adequate safeguards to prevent unusual fee assessments which would result in serious economic burden on an individual applicant. A system shall be considered to allow consolidated annual payments for persons with multiple permits. In its rulemaking to establish fee schedules, the Commission is also directed to consider a method of rewarding facilities which achieve full compliance with administrative and self-monitoring reporting requirements, and to consider, in those cases where the cost of renewal or amendment of a permit is less than for the original permit, a lower fee for the renewal or amendment."

## **AMEND THE BROWNFIELDS PROPERTY REUSE ACT AND THE BROWNFIELDS PROPERTY TAX BENEFIT**

**SECTION 12.15.(a)** G.S. 105-277.13 reads as rewritten:

### **"§ 105-277.13. Taxation of improvements on brownfields.**

(a) Qualifying improvements on brownfields properties are designated a special class of property under Article V, Sec. 2(2) of the North Carolina Constitution and shall be appraised, assessed, and taxed in accordance with this section. An owner of ~~land and real property~~ subject to a brownfields agreement entered into by the Department of Environmental Quality pursuant to G.S. 130A-310.32 is entitled to the partial exclusion provided by this section for ~~the first five taxable years beginning after completion of qualifying improvements made after the later of July 1, 2000, or the date of the brownfields agreement, 2000.~~ After property has qualified for the exclusion provided by this section, the assessor for the county in which the property is located shall annually appraise the improvements made to the property during the period of time that the owner is entitled to the exclusion. Subsequent qualifying improvements shall also be entitled to a separate exclusionary period.

(b) For the purposes of this section, the terms "qualifying improvements on brownfields properties" and "qualifying improvements" mean improvements made to real property ~~that is subject to a brownfields agreement entered into by the Department of Environmental Quality and the owner pursuant to G.S. 130A-310.32~~ after the Department of Environmental Quality provides written confirmation that the property is eligible for a brownfields agreement pursuant to the Brownfields Property Reuse Act of 1997 under Part 5 of Article 9 of Chapter 130A of the General Statutes.

(c) The following table establishes the percentage of the appraised value of the qualified improvements that is excluded based on the taxable year:

<u>Year</u>	<u>Percent of Appraised Value Excluded</u>
Year 1	90%
Year 2	75%
Year 3	50%
Year 4	30%

**SECTION 12.15.(b)** This section is effective for taxes imposed for taxable years beginning on or after July 1, 2025.

## **MORATORIUM ON ISSUANCE OF CERTIFICATES FOR CERTAIN SURFACE WATER TRANSFERS**

**SECTION 12.16.(a)** Findings. – The General Assembly finds that the State's laws regulating surface water transfers, originally enacted more than 30 years ago, should be comprehensively reviewed and evaluated for updates in light of the State's tremendous economic and population growth and the impact of natural disasters on riverine and water reservoir systems over that period. In particular, the General Assembly finds that the approval of proposed transfers that are significant in terms of their size compared to the overall hydrologic flow, current and future water storage capacity, and cumulative water resources demands within the source river basin should be temporarily paused while this review and evaluation is ongoing.

**SECTION 12.16.(b)** Study. – The North Carolina Collaboratory at the University of North Carolina at Chapel Hill (Collaboratory) shall study the current statutory process for approval of surface water transfers and provide any recommendations for legislation revising that process that the Collaboratory finds is needed. As part of its study, the Collaboratory shall review all of the following:

- (1) The adequacy of the requirements for an environmental impact study set forth in G.S. 143-215.22L(d) in ensuring that all impacts on upstream and downstream users of water in the river basin are comprehensively and equitably compiled and considered.
- (2) Whether the information on which the Environmental Management Commission (EMC) bases final certification decisions adequately takes into account (i) issues of economic equity for lower income and lower population communities in the source river basin that would experience potential impacts on future economic growth due to the proposed transfer, (ii) negative impacts of increases in water pollutant concentration caused by large surface water transfers on riverine ecosystems, and (iii) whether the denial of the surface transfer request would result in a substantial increase in utility rates or otherwise cause a financial hardship due to alternative infrastructure construction costs for the requesting party.
- (3) Changes to the process needed to reflect the impact of recent climate trends that impact the range of water flows in the State's mainstem rivers during periods of extreme heat, drought, or flooding events.
- (4) How to build into the certification process incentives for parties requesting surface water transfers to implement land use, infrastructure, and drought resiliency policies that will reduce the size of transfers needed to meet future water demands.
- (5) Any other matters the Collaboratory deems relevant to its efforts to increase the fairness and effectiveness of the surface water transfer certification requirements.

1           **SECTION 12.16.(c)** Consultation. – In conducting the study required by subsection  
2 (b) of this section, the Collaboratory will consult with the Army Corps of Engineers and other  
3 private or public entities with management responsibilities over water impoundments with  
4 respect to the impact of significant surface water transfers, as defined in subsection (e) of this  
5 section, on those impoundments continuing to meet their present levels and future projected  
6 needs for hydroelectric power generation and water supply.

7           **SECTION 12.16.(d)** Report. – By January 1, 2027, the Collaboratory shall report its  
8 findings, along with any legislative recommendations, to the Joint Legislative Oversight  
9 Committee on Agriculture and Natural and Economic Resources.

10           **SECTION 12.16.(e)** Moratorium on Certain Surface Water Transfer Certificates. –  
11 In order to permit sufficient time for the General Assembly to complete the study, the EMC shall  
12 not issue a certificate authorizing a significant new surface water transfer or a significant increase  
13 in an existing surface water transfer until the end of the moratorium provided in this section. The  
14 moratorium in this section shall end six months after the submission of the report required by  
15 subsection (d) of this section. For purposes of this section, a proposed new or increased surface  
16 water transfer is significant if it would result in a total increase in transfer between river basins,  
17 as defined in G.S. 143-215.22G, in excess of 15,000,000 gallons per day.

18           **SECTION 12.16.(f)** This section is effective when it becomes law.

41 Act in an agency other than the agency from which that officer retired.

42 (d) Impact of Other Benefits or Actions. – This section does not affect the benefits to  
43 which an individual may be entitled from State, federal, or private retirement systems. The
