## 36 **RFI ON HUMAN TRAFFICKING REPORTING**

37 **SECTION 2.(a)** The General Assembly finds all of the following:

38 (1) Human trafficking is a pervasive crime that often goes undetected. National  
 39 statistics indicate that hundreds of thousands of people are trafficked in the  
 40 United States each year, yet the vast majority are never identified.

41 (2) North Carolina is recognized as a leader in efforts to combat human  
 42 trafficking; however, frontline professionals, including law enforcement  
 43 officers, healthcare providers, teachers, and social workers, often lack the  
 44 training, tools, and resources necessary to adequately support victim-survivors  
 45 and hold traffickers accountable. Services remain fragmented and limited,  
 46 despite a strong desire for collaboration and coordination across sectors.

47 (3) Advances in the field have produced effective models for data collection,  
 48 needs assessment, and landscape analysis at the State, county, and regional  
 49 levels. These efforts help guide statewide partners in addressing a complex  
 50 and constantly evolving issue.  
 51

1           **SECTION 2.(b)** The North Carolina Human Trafficking Commission (Commission)  
2 shall conduct a request for information from vendors equipped to conduct a study on human  
3 trafficking reporting, including information on the development process for a statewide human  
4 trafficking reporting and response system (system). After the Commission has received the  
5 responses to the request for information, the Commission is encouraged to begin development of  
6 a system that facilitates referral to the National Human Trafficking hotline for crisis support as  
7 necessary. It is the intent of the General Assembly to establish a system that will (i) notify law  
8 enforcement and child protection officials of high priority reports, (ii) provide a secure dashboard  
9 for authorized personnel to view, triage, and respond to reports, and (iii) support real-time  
10 communication between investigators and survivors or reporters with consent.

11           **SECTION 2.(c)** This section is effective when it becomes law.

### 12           **TECHNICAL CORRECTIONS**

13           **SECTION 3.(a)** G.S. 143-805(d) reads as rewritten:

14           "(d) Subsections (a) and (b) of this section shall not apply to an official or employee that  
15 is engaged in any of the following activities in the course of that official's or employee's official  
16 duties:  
17

18           ...

19           (8) Investigating matters involving offenders incarcerated with, or otherwise  
20 under the supervision of, the Department of Adult Correction or matters  
21 related to the misuse of devices owned by the Department of Adult  
22 Correction."

24           "(c1) Third-Party Contractor Requirements. – A third-party contractor shall ensure that any  
25 employee of the third-party contractor who performs housekeeping services at the vacation rental  
26 or provides check-in and check-out services for the vacation rental receive human trafficking  
27 awareness training as required by subsection (c) of this section."

28           **SECTION 3.(c)** G.S. 130A-511(b)(1) reads as rewritten:

29           "(1) In consultation with the North Carolina Human Trafficking Commission, the  
30 North Carolina Restaurant and Lodging Association, and the Department of  
31 Health and Human Services, develop a training course, or identify existing  
32 training courses, to inform and educate individuals about human trafficking.  
33 Chapter 150B of the General Statutes does not apply to any training required  
34 to be developed or identified under this subdivision."

35           **SECTION 3.(d)** Subsection (a) of this section is effective when it becomes law and  
36 applies to investigations occurring before, on, or after that date. Subsection (b) of this section is  
37 effective when it becomes law and applies to training required to be completed on or after that  
38 date. Subsection (c) of this section is effective when it becomes law and applies to training  
39 developed or identified before, on, or after that date.
