**BILL ANALYSIS:** House Bill 490 would authorize Sanford to levy a 3% room occupancy tax. The City would be required to establish a Tourism Development Authority to administer the proceeds. The proceeds must be used as follows: at least two-thirds for tourism promotion and the remainder for tourism-related expenditures. The bill conforms to the Guidelines for Occupancy Tax adopted by the House Finance Committee.

**EFFECTIVE DATE:** This act is effective when it becomes law.

**BACKGROUND:** Since 1983, the General Assembly has authorized many units of local government to levy a room occupancy tax. Over the past several years, there has been a greater effort to make the occupancy taxes uniform. In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,<sup>2</sup> which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties.

In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below. Many of the principles contained in the Guidelines are similar to those contained in policy statements adopted by the North Carolina Travel and Tourism Coalition and the North Carolina Restaurant and Lodging Association.

UNIFORM OCCUPANCY TAX PROVISIONS
<b>Rate</b> – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
<b>Use</b> – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism related expenditures.
<b>Definitions</b> The term “net proceeds”, “promote travel and tourism”, and “tourism related expenditures” are defined terms.
