SENATE BILL 698: State IT/Utility-Based Cloud Computing

2015-2016 General Assembly

Committee:	Senate Information Technology	Date:	April 22, 2015
Introduced by:	Sen. Hise	Prepared by:	Susan Sitze
Analysis of:	First Edition		Committee Counsel

SUMMARY: *Senate Bill 698 would direct the Office of Information Technology Services (OITS) to study State agency use of utility-based computing.*

BILL ANALYSIS:

Senate Bill 698 would direct OITS to study the use of and cost savings associated with the adoption of utility-based cloud computing services by State agencies. For purposes of this study, "utility-based computing" means the process of providing computing service through an on-demand, pay-per-use billing method, metering the offered services.

The State Chief Information Officer shall report to the Joint Legislative Oversight Committee on Information Technology on the results of the study by October 1, 2015.

EFFECTIVE DATE: This act is effective when it becomes law.

O. Walker Reagan
