Committee:	House Judiciary I	Date:	March 31, 2015
Introduced by:	Sens. Randleman, Daniel, Newton	Prepared by:	Jennifer Bedford
Analysis of:	Third Edition		Committee Counsel

SUMMARY: *Senate Bill 78 would allow State correctional officers to carry a concealed weapon when off-duty.*

CURRENT LAW: G.S. 14-269(b) lists several classes of persons that are exempt from the general prohibition against carrying concealed weapons. Among other persons, the list currently includes off-duty law enforcement officers and off-duty State probation and parole officers. This list of exempted persons is referenced in several other statutes to allow exemptions to other prohibited conduct such as carrying weapons on educational property and in courthouses.

BILL ANALYSIS: Senate Bill 78 would allow off-duty State correctional officers to carry concealed weapons provided that they are not consuming alcohol or an unlawful controlled substance and do not have any alcohol or unlawful controlled substance in their body. If the concealed weapon is a handgun, the correctional officer must meet firearms training standards.

EFFECTIVE DATE: This act becomes effective December 1, 2015. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions.
