

SENATE BILL 803: Rev Laws Technical, Clarifying, & Admin. Chg.

2016-2017 General Assembly

Committee:	House Rules, Calendar, and Operations of the House	Date:	June 29, 2016
Introduced by:	PCS to Third Edition	Prepared by:	Greg Roney
Analysis of:	S803-CSTMx-65		Committee Counsel

BILL ANALYSIS:

The Proposed Committee Substitute (PCS) returns the bill to the version as passed by the Senate.

Section	Bill Analysis	Effective Date
PART I: INCOME TAX CHANGES		
1.1	Deletes a reference to the Interstate Commerce Commission. The Interstate Commerce Commission was abolished in 1995.	When law
1.2	Clarifies that taxpayers remain able to exclude amounts under the insolvency rules after NC decoupled from the extension of the income exclusion for the discharge of qualified principal residence indebtedness in S.L. 2016-6 (S726). A taxpayer that excludes from income cancellation of mortgage debt under federal law using either insolvency rules (NC conforms) or mortgage debt forgiveness rules (NC decoupled) is allowed to exclude the income for NC purposes to the extent a taxpayer qualifies for the insolvency provision under IRC section 108.	When law
PART II: SALES TAX CHANGES		
2.1	Adds the word "also" to clarify that the language added by Section 3.23(a) of S.L. 2016-5 (S729) was not intended to change the current law that exempts sales of aviation gasoline and jet fuel to an interstate air business for use in a commercial aircraft.	1/1/16
2.2	Corrects verb tense ("recommend" replaced with "recommended").	When law
2.3 2.4	Makes a conforming change to update the sales tax collection statute for facilitators who are liable for sales tax under existing law.	When law
2.5	Clarifies that the sales tax exemption for food and prepared food provided to a person under a prepaid meal plan subject to tax under G.S. 105-164.4(a)(12) also excludes the packaging items (e.g., wrapping paper, plastic bags, cartons, cups, napkins, straws) that are part of the sale and delivered with the food.	When law

3.1(b) municipality to disclose to the county tax information necessary to administer a tax. Local tax records that contain information about a taxpayer's income or receipts are not public records and local government employees are prohibited from disclosing this information unless the disclosure is authorized by statute. PART IV: MSA CHANGES 4.1(a) Limits the look-back period to determine the amount of a bond for a Non-Participating Manufacturer (NPM) under the Master Settlement Agreement (MSA) to the preceding 3 calendar years. Current law is an unlimited look-back period meaning the bond amount for a NPM is based on sales volume occurring in the State at any time in the past. Sales of cigarettes are declining nationally and in the State. This change will reduce the bond amount for NPM with declining sales volume. 10/1/16 FART V: UI TAX CHANGES 5.(a) Moves the date to calculate employers' tax rate for unemployment insurance (UI) taxes to September 1 to include tax payments made in the second quarter of the year. Under current law, employers pay UI taxes quarterly during the month after the quarter ends. Tax payments made during July are not received by August 1 and are not used in the tax calculation on August 1. This change moves the calculation date to September 1 to allow all second quarter tax	Section	Bill Analysis	Effective Date
PART III: LOCAL GOVERNMENT TAX CHANGES 3.1(a) Allows a county to disclose to a municipality in the county and the municipality to disclose to the county tax information necessary to administer a tax. Local tax records that contain information about a taxpayer's income or receipts are not public records and local government employees are prohibited from disclosing this information unless the disclosure is authorized by statute. When law PART IV: MSA CHANGES 4.1(a) Limits the look-back period to determine the amount of a bond for a Mon-Participating Manufacturer (NPM) under the Master Settlement Agreement (MSA) to the preceding 3 calendar years. Current law is an unlimited look-back period meaning the bond amount for a NPM is based on sales volume occurring in the State at any time in the past. Sales of cigarettes are declining nationally and in the State. This change will reduce the bond amount for NPM with declining sales volume. When law PART V: UI TAX CHANGES 5.(a) Moves the date to calculate employers' tax rate for unemployment insurance of the year. Under current law, employers pay UI taxes quarterly during the month after the quarter ends. Tax payments made in the second quarter of the year. Under current law, employers pay UI taxes quarterly during the month after the quarter ends. Tax payments made during July are not received by August 1 and are not used in the tax calculation on August 1. This change moves the calculation date to September 1 to allow all second quarter tax beginning o apyments to be credited to employers. Delaying the calculation date of UI tax rates will more accurately set tax rates based on all second quarter payments. or afte 1/1/17	2.6	Agreement to determine the effective date of a rate change for the combined	
3.1(a) Allows a county to disclose to a municipality in the county and the municipality to disclose to the county tax information necessary to administer a tax. Local tax records that contain information about a taxpayer's income or receipts are not public records and local government employees are prohibited from disclosing this information unless the disclosure is authorized by statute. When law PART IV: MSA CHANGES 4.1(a) Limits the look-back period to determine the amount of a bond for a Non-Participating Manufacturer (NPM) under the Master Settlement Agreement (MSA) to the preceding 3 calendar years. Current law is an unlimited look-back period meaning the bond amount for a NPM is based on sales volume occurring in the State at any time in the past. Sales of cigarettes are declining nationally and in the State. This change will reduce the bond amount for NPM with declining sales volume. When law Solution of the year. Under current law, employers pay UI taxes quarterly during the month after the quarter ends. Tax payments made in the second quarter to of the year. Under current law, employers pay UI taxes quarterly during the month after the quarter ends. Tax payments made during July are not received by August 1 and are not used in the tax calculation on August 1. This change moves the calculation date to September 1 to allow all second quarter tax payments to be credited to employers. Delaying the calculation date of UI tax payments.
