

HOUSE BILL 184: Certain Towns/Sewer Fee Collections.

2017-2018 General Assembly

Committee:	Senate Rules and Operations of the Senate	Date:	June 14, 2017
Introduced by:	Reps. C. Graham, Brisson, Pierce, G. Graham	Prepared by:	Nicholas Giddings
Analysis of:	Third Edition		Staff Attorney

OVERVIEW: *House Bill 184 would authorize the Towns of Bolton, Fairmont, La Grange, Pembroke, Proctorville, Rowland and St. Pauls to collect delinquent fees for sewer services and stormwater utilities in the same manner that property taxes are collected.*

CURRENT LAW: Municipalities are authorized to acquire, construct, establish, maintain, own, operate, and contract for the operation of a "public enterprise," which includes wastewater collection, treatment, and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities.¹ Municipalities are authorized to establish a schedule of rates and fees for the use of or the services furnished by any public enterprise.²

A municipality has the authority to collect delinquent accounts by any remedy provided by law for collecting and enforcing private debts.³ A municipality may discontinue service to any customer whose account remains delinquent for more than 10 days.⁴ A municipality may also use the debt set-off collection process to collect taxes, assessments, fees, fines, or any obligation owed to the city that is more than \$50.00.⁵

Property taxes may be collected in the following ways:

- Placement of a lien on real and personal property, which is superior to all other liens.
- Sale of real or personal property.
- Attachment and garnishment of wages and bank accounts.

BILL ANALYSIS: House Bill 184 would authorize the Towns of Bolton, Fairmont, La Grange, Pembroke, Proctorville, Rowland and St. Pauls to adopt an ordinance providing that any sewer fee or stormwater utility fee imposed by that Town may be billed and collected in the same manner as property taxes. If the ordinance adopted by the Town provides that delinquent fees may be collected in the same manner as delinquent real property taxes, then the delinquent fees are a lien on the real property described on the delinquent bill.

EFFECTIVE DATE: The bill would become effective when it becomes law.

BACKGROUND: In addition, the following local legislation regarding delinquent water, sewer, and stormwater fees have been enacted:

¹ G.S. 160A-311; G.S. 160A-312.
² G.S. 160A-314.
³ G.S. 160A-314(b).
⁴ G.S. 160A-314(b).
