

SENATE BILL 104: Require Criminal BGC/Pharmacist Licensure.

2017-2018 General Assembly

Committee:	Senate Health Care. If favorable, re-refer to Judiciary. If favorable, re-refer to Rules and Operations of the Senate	Date:	April 6, 2017
Introduced by:	Sen. Tillman	Prepared by:	Augustus D. Willis Committee Counsel
Analysis of:	First Edition		

OVERVIEW: *Senate Bill 104 would make a number of technical changes to G.S. 90-85.15, which governs applications and requirements for licensure as a pharmacist, and mandate that the Board of Pharmacy require applicants for a pharmacy license to provide the Board with a criminal history report, at the applicant's expense, from a reporting service designated by the Board.*

CURRENT LAW: G.S. 90-85.15(c) allows the Department of Public Safety (DPS) to provide a criminal record check to the Board of Pharmacy for applicants for a pharmacy license. Currently, the Board is not required to request a background check, but if it does, it must submit a request that includes the fingerprints of the applicant and any additional information required by DPS. DPS then must send the applicant's fingerprints to the State and Federal Bureaus of Investigation for criminal history checks. The Board must keep any information pursuant to this law privileged and confidential, in accordance with applicable State law and the Board may charge each applicant a fee for conducting the criminal history check.

BILL ANALYSIS: Senate Bill 104 would make a number of technical changes to G.S. 90-85.15 and mandate that the Board of Pharmacy require applicants for a pharmacy license to provide the Board with a criminal record report from a reporting system that would be designated by the Board. Information from these reports would remain privileged and confidential in accordance with State law and federal guidelines, and applicants would be required to pay the designated reporting service for the cost of the report.

EFFECTIVE DATE: This act would become effective January 1, 2018.
