OVERVIEW: *Sec. 2.6 of S.L. 2018-97 authorizes the State Board of Education (SBE) to issue additional requests for proposal (RFPs) as necessary in order to meet the requirements of the advanced teaching roles pilot program. Local boards of education may submit one of these additional RFPs if they meet the requirements of the SBE. Additionally, local school administrative units (LEAs) have flexibility on the 2017-2018 pilot start date, allowing LEAs added through subsequent RFPs to begin after that point.*

This section became effective July 1, 2018.
