SENATE BILL 462: Change Name of UNC General Administration.

2017-2018 General Assembly

Committee:	House Education - Universities	Date:	June 5, 2018
Introduced by:	Sens. Barefoot, Curtis, Daniel	Prepared by:	Drupti Chauhan
Analysis of:	PCS to First Edition S462-CSRQ-16		Committee Counsel

OVERVIEW: *Senate Bill 462 would direct the President and the Board of Governors of The University of North Carolina to evaluate the feasibility of applying for and implementing the UTEACH program as part of the curricula offered by institutions of higher education in The University of North Carolina.*

The Proposed Committee Substitute (PCS) for Senate Bill 462 would remove the contents of the 1st edition of the bill entirely and instead would change the name of The University of North Carolina General Administration to The University of North Carolina System Office throughout the General Statutes.

CURRENT LAW: The General Statutes currently refer to the central office of The University North Carolina as "The University of North Carolina General Administration".

BILL ANALYSIS: The PCS for Senate Bill 462 would change the name of "The University of North Carolina General Administration" to "The University of North Carolina System Office". This change would be made through the General Statutes. The PCS states that all statutory and legal authority powers, duties, functions, records, personnel, property, and unexpended balances of appropriations or other funds of The University of North Carolina General Administration remain those of The University of North Carolina System Office.

The PCS further states that nothing in the bill requires the immediate replacement of any stationary, other supplies, or any emblems or other symbols used by The University of North Carolina System Office as they existed prior to the enactment of the bill. The University of North Carolina System Office must use funds within its budget to replace these items as necessary.

EFFECTIVE DATE: The bill would become effective July 1, 2018.
