Committee:		Date:	August 10, 2018
Introduced by:		Prepared by:	Erika Churchill Staff Attorney
Analysis of:	S.L. 2018-14		

OVERVIEW: *S.L. 2018-14, effective with phasing in beginning with the 2018 elections, re-establishes the following judicial districts:*

- *Superior Court districts, Mecklenburg County, fully effective January 1, 2023.*
- *District Court districts, Mecklenburg County, fully effective January 1, 2021.*
- *Superior Court districts, Pender and New Hanover Counties, fully effective January 1, 2019.*
- *District Court districts, Wake County, fully effective January 1, 2021.*

CURRENT LAW: Prior to 1996, elections of judges in North Carolina were conducted in a partisan manner. In 1996, the law governing the elections of superior court judges was amended to make those elections nonpartisan. In 2001, the law governing the elections of district court judges was amended to make those elections nonpartisan. In 2002, the law governing the elections of appellate court judges was amended to make those elections nonpartisan, beginning with the 2004 elections. S.L. 2017-3 returns judicial elections to a partisan basis, effective with the 2018 elections. Superior Court judges serve eight-year terms; district court judges serve four-year terms.

Election of the Superior and District Court Divisions of the General Court of Justice are by district, consisting of various territorial districts, with at least one district judge in each district. The General Assembly determines the number of judges for each district. Each judge is a resident of the district to which he or she is elected. Article IV, Sec. 9 and 10, of the North Carolina Constitution grant the General Assembly authority to divide the State, from time to time, into a convenient number of judicial districts and divisions.
