

HOUSE BILL 902: Delay Certain ABC Permit Renewal Payments.

2019-2020 General Assembly

Committee: Senate Rules and Operations of the Senate	Date: June 19, 2020
Introduced by: Reps. Grange, Bell	Prepared by: Susan Sitze
Analysis of: Fourth Edition	Staff Attorney

OVERVIEW: *House Bill 902 would, for ABC permittees that have been prohibited from operating due to Executive Order prohibiting on-premises service at certain types of establishments, delay the deadline for payment of a renewal fee for an ABC permit until 90 days after the Governor rescinds the Executive Orders prohibiting those ABC permittees from operating, if the permittee requests the delay. The bill would also allow those ABC permittees that have already paid a permit renewal fee to request a refund of the fee that must be repaid by the extended payment deadline.*

CURRENT LAW AND BACKGROUND: G.S. 18B-903 provides that most ABC permits that are subject to renewal are valid from May 1 to April 30. Due to the coronavirus emergency, the ABC Commission has established a grace period for the registration and renewal process until June 30, 2020.

BILL ANALYSIS:

Section 1 would provide that payment of the renewal or registration fee for an ABC permit held by an ABC permittee that is prohibited from operating pursuant to Executive Order No. 141, is not required until 90 days after the Governor signs an executive order rescinding the prohibition on those permittees' operation, provided that the ABC permittee notifies the ABC Commission in writing, including by e-mail or other electronic means, of its intent to delay payment.

Section 2 would provide that an ABC permittee that is prohibited from operating pursuant to Executive Order No. 141, that has already paid a renewal or registration fee prior to the effective date of this act may request a refund from the ABC Commission. A permittee that receives a refund from the Commission must repay the fee before the expiration of the extended payment deadline established in Section 1.

EFFECTIVE DATE: This act would be effective when it becomes law.
