OVERVIEW: *House Bill 328 would allow certain trades or exchanges of lawfully purchased spirituous liquor without obtaining a permit.*

CURRENT LAW: G.S. 18B-101(13) defines a sale as a transfer, trade, exchange, or barter, in any manner or by any means, for consideration. G.S. 18B-102 makes it a Class 1 misdemeanor for any person to manufacture, sell, transport, import, deliver, furnish, purchase, consume, or possess any alcoholic beverages except as authorized by the Alcohol and Beverage Control (ABC) laws.

G.S. 18B-800(a) and G.S. 18B-1105(a)(4) allow the sale of spirituous liquor only at ABC stores and at the distillery where the spirituous liquor was produced.

BILL ANALYSIS: House Bill 328 would authorize the trade or exchange of lawfully purchased spirituous liquor if all of the following are met:

- The transaction only involves the trade or exchange of lawfully purchased spirituous liquor for other lawfully purchased spirituous liquor.
- The trade or exchange is only between individuals, for personal use only, and not for resale.
- The spirituous liquor to be traded or exchanged is or has been approved by the ABC Commission for sale in North Carolina and is not unfit for human consumption.

The ABC Commission would be required to adopt temporary rules to implement the provisions of this bill, which would remain in effect until permanent rules become effective.

EFFECTIVE DATE: The bill would become effective October 1, 2021, and would apply to trades or exchanges made on or after that date.
