2021-2022 General Assembly

Committee:	Senate Commerce and Insurance. If favorable, re-refer to Rules and Operations of the Senate	Date:	August 31, 2021
Introduced by:	Reps. Moffitt, Boles, Willingham, Saine	Prepared by:	Chris Saunders Staff Attorney
Analysis of:	PCS to Third Edition H890-CSTQf-34		

OVERVIEW: *The Proposed Committee Substitute (PCS) to House Bill 890 would make several changes to the laws concerning ABC stores, distilleries, and other alcohol-related statutes.*

CURRENT LAW AND BILL ANALYSIS:

PART I. ALLOW ONLINE ORDERS FROM ABC STORES

Part 1 of the PCS would allow ABC stores to accept online orders, including payment, for alcoholic beverages sold in the store. These orders must be picked up in person at the ABC store by the individual who placed the order, who must be a individual who is at least 21 years old and otherwise lawfully entitled to purchase alcoholic beverages. An employee of the ABC store would be required to confirm that the order is picked up in person by the individual who placed the order by verifying that the individual's identification matches identifying information in the online order.

This Part would also direct the ABC Commission to adopt rules to determine how long the product will be set aside without being picked up before the product is returned to inventory and the customer refunded.

This Part would become effective October 1, 2021, and would apply to sales on or after that date.

PART II. ALLOW PERSONALIZED LABEL ON SPIRITUOUS LIQUOR PURCHASE

Part 2 would allow bottles of spirituous liquor on the special item list approved by the ABC Commission (Commission) sold at an ABC store, or bottles of spirituous liquor sold at a distillery, to be affixed with personalized labeling that is approved by the ABC Commission and complies with any other labeling requirements set by law. The personalized labeling could not cover any portion of the manufacturer's original label. "Personalized labeling" would mean the inclusion of the name of the purchaser on the label.

Cooperative advertising, meaning a joint effort between a retailer and an industry member to advertise alcoholic beverages, the retailer's business, or any promotion or event, is prohibited by 14B NCAC 15B .1005. Other prohibited statements on spirituous liquor labeling are provided at 14B NCAC 15B .1003.

This Part would become effective October 1, 2021, and would apply to spirituous liquor sold on or after that date.
