CURRENT LAW & BILL ANALYSIS:

[G.S. 143C-6-23](#) directs the Office of State Budget Management (OSBM) to adopt rules to ensure the uniform administration of State grants by all grantor State agencies. As a part of the uniform administration of State grants, State agencies are required to register each State assistance program under the agency, as well as program grantees and subgrantees, with the State. While the State Auditor used to receive those reports, OSBM's rules adopted in 2005, and readopted in 2016, direct State agencies to submit those reports to OSBM directly.
