OVERVIEW: *The Proposed Committee Substitute (PCS) for Senate Bill 288 would provide for the following:*

- *Change the method of election of the Burke County Board of Education from nonpartisan to partisan, move the elections to even-numbered years, and alter the process for filling vacancies on the Board, beginning in 2024.*
- *Change the method of election of the Caldwell County Board of Education from nonpartisan to partisan, and alter the process for filling vacancies on the Board, beginning in 2022.*

Part I – Burke County Board of Education:

CURRENT LAW: The Burke County Board of Education consists of seven members elected for staggered four-year terms. Two members are elected from each of three residency districts, and one member is elected from the county at-large.

Elections are conducted in odd-numbered years using the nonpartisan plurality method. G.S. 163-292. The election is held on the Tuesday after the first Monday in November. G.S. 163-279. Members take office on the first Monday in December following their election. At the first meeting of the Board in December of each year, the members elect a chair and vice-chair to serve a one-year term.

Vacancies are filled by the remaining members of the Board, with the appointee serving until the next election of Board members, at which time the remaining unexpired term will be filled by election. If due to a vacancy, there is an election in which two members from the same residency district are on the ballot, the candidate receiving the highest number of votes serves a four-year term, and the candidate receiving the second highest number of votes serves a two-year term.

BILL ANALYSIS: The PCS for Senate Bill 288 provides that, beginning in 2024, the Board would be elected on a partisan basis in even-numbered years at the time of the general election. Candidates shall be nominated and elected at the same time and in the same manner as other county officers.

Beginning in 2024, vacancies for positions elected on a partisan basis would be filled by the remaining members of the Board, provided that the remaining members of the Board must consult with the county executive committee of the relevant political party before filling a vacancy and must appoint that executive committee's nominee, if the recommendation is made within 30 days after the seat becomes vacant.
