HOUSE BILL 106: School Calendar Flexibility/Forsyth, WS, Stokes.

2023-2024 General Assembly

Committee:	House Education - K-12. If favorable, re-refer to Rules, Calendar, and Operations of the House	Date:	February 21, 2023
Introduced by:	Reps. Lambeth, K. Hall, Zenger	Prepared by:	Kara McCraw Staff Attorney
Analysis of:	First Edition		

OVERVIEW: *HB 106 would authorize local boards of education from certain local school administrative units to set a start date for the school calendar no earlier than August 11, and to hold final exams in fall semester courses prior to the end of the calendar year. HB 106 would apply to Stokes County Schools and Winston-Salem/Forsyth County Schools.*

CURRENT LAW: G.S. 115C-84.2 requires that a school calendar must include a minimum of 185 days or 1025 hours of instruction covering at least nine calendar months. Except for year-round schools, the opening date for students cannot be earlier than the Monday closest to August 26 and the closing date for students cannot be later than the Friday closest to June 11. The State Board of Education may waive this opening requirement and allow a local board of education to set an opening date no earlier than the Monday closest to August 19 after a showing of "good cause." Good cause means that schools in any local school administrative unit in a county have been closed 8 days per year during any of the 4 of the last 10 years because of severe weather conditions, energy shortages, power failures, or other emergency situations.

G.S. 115C-174.12 requires that final exams for courses must be conducted in the final 10 days of the instructional year for year-long courses or final five days of the semester for semester courses. Exceptions are provided to meet the requirements of a student's individualized education program, or to administer final exams for courses with national or international curricula that are required to be held at certain times.

BILL ANALYSIS: HB 106 would allow local boards of education in certain local school administrative units to set an opening date for the school calendar no earlier than August 11, and if the fall semester ended prior to December 31, would allow administration of final exams prior to the end of that semester.

EFFECTIVE DATE: HB 106 would become effective when it becomes law, and would apply beginning with the 2023-2024 school year.
