

HOUSE BILL 163: School Calendar Flexibility.

2023-2024 General Assembly

Committee:	House Rules, Calendar, and Operations of the House	Date:	March 14, 2023
Introduced by:	Rep. Tyson	Prepared by:	Drupti Chauhan
Analysis of:	Second Edition		Committee Counsel

OVERVIEW: *House Bill 163 would allow certain local boards of education to set their own opening date for schools.*

CURRENT LAW: G.S. 115C-84.2 provides that, with certain exceptions, the opening date for students in a school calendar must be no earlier than the Monday closest to August 26, and the closing date for students must be no later than the Friday closest to June 11.

BILL ANALYSIS: House Bill 163 would allow Craven County Schools and Union County Schools to set the opening date for students to be no earlier August 10 for the school calendar beginning with the 2023-2024 school year. The authority of the State Board of Education to waive the general opening date requirement for good cause would be removed because the school system could open earlier than the current statutory requirement.

The bill would also let Hyde County Schools set different opening dates for their schools depending on the location of the schools.

EFFECTIVE DATE: The bill is effective when it becomes law and applies beginning with the 2023-2024 school year.
