BACKGROUND: In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,² which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties. In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below.
