OVERVIEW: Section 9A.1 of S.L. 2023-134 amends the law (G.S. 108A-47.1(b)) to remove an outdated requirement that the Department of Health and Human Services establish a formula to determine the need for additional State-County Special Assistance (SA) In-Home Program slots for each county and to annually review and revise the formula. This change conforms with Section 9A.3A of S.L. 2021-180 which brought the SA In-Home program into parity with the SA Adult Care Home program.

This section became effective July 1, 2023.
