

## **HOUSE BILL 593:**

## Various General Local Laws, Sec. 2: Residency Districts for Certain Sanitary Boards

2023-2024 General Assembly

Committee: Date: August 13, 2024
Introduced by: Prepared by: Erika Churchill
Analysis of: Sec. 2 of S.L. 2024-38
Sec. 2 of S.L. 2024-38

OVERVIEW: Section 2 of S.L. 2024-38 requires certain sanitary districts to establish residency districts for use in their board elections. This section became effective July 8, 2024, and applies to elections held in 2025 and thereafter.

**CURRENT LAW:** G.S. 130A-50 provides for the composition, manner of election and terms of office for sanitary district boards. Under G.S. 130A-50, a sanitary district board must be comprised of either three or five members who must be residents of the sanitary district and must serve two- or four-year terms which may be staggered or unstaggered as determined by the county board of commissioners.

## **BILL ANALYSIS:**

Section 2 of the act amends G.S. 130A-50 to require the following for sanitary districts lying wholly within a county with more than 17 municipalities lying wholly within that county:

- The sanitary district board must adopt single-member residency districts in which only a person residing in the district is eligible to run as a candidate for the seat apportioned to that district, but all candidates are elected at-large by the qualified voters of the entire sanitary district. The single-member residency district boundaries must be adopted by resolution following a public hearing. The most recent federal decennial census data is to be used as the basis of population for establishing the single-member residency districts and any revision of the single-member residency districts after each census.
- Sanitary district board members must serve staggered terms.

**EFFECTIVE DATE:** This section became effective July 8, 2024, and applies to elections held in 2025 and thereafter.
