**BILL ANALYSIS and EFFECTIVE DATE:** House Bill 66 would provide that members of the Catawba County Board of Education, the Hickory City Board of Education, and the Newton-Conover City Board of Education would be elected on a partisan basis.

Vacancies for positions elected on a partisan basis would be filled by the remaining Board members, provided the Board consults the relevant political party's local executive committee before filling a vacancy and appoints the local executive committee's nominee, if both of the following apply:

- The recommendation is made within 30 days after the seat becomes vacant.
- The county executive committee restricts voting to committee members who represent precincts wholly or partly within the appropriate territory.

For the Catawba County Board of Education, candidates would be nominated and elected at the same time and in the same manner as other county officers, beginning in 2024.

For the Hickory City Board of Education and Newton-Conover City Board of Education, the election would be conducted using the partisan municipal election process under G.S. 163-291, beginning in 2023. Partisan municipal elections are held on the Tuesday after the first Monday in November, with the first primary held on the second Tuesday after Labor Day, and the second primary, if required, held on the fourth Tuesday before the election. G.S. 163-279.
