CURRENT LAW: Currently, there is no authority for Warren County, or any municipality in Warren County, to levy an occupancy tax.

BILL ANALYSIS: House Bill 69 would authorize Warren County to levy a 5% room occupancy tax. When the county adopts a resolution to levy the occupancy tax, they would also be required to adopt a resolution to create a county Tourism Development Authority. The proceeds of the tax must be remitted to the Warren County Tourism Development Authority. At least two-thirds of the proceeds must be used for tourism promotion and the remainder for tourism-related expenditures. This bill conforms to the Guidelines for Occupancy Tax adhered to by the House Finance Committee.

EFFECTIVE DATE: This act would be effective when it becomes law.

BACKGROUND: In 1997, the General Assembly enacted uniform municipal and county administrative provisions for occupancy tax,¹ which provide uniformity among counties and cities with respect to the levy, administration, collection, repeal, and imposition of penalties. In 1993, the House Finance Committee established the Occupancy Tax Guidelines, which address the rate of tax, the use of the tax proceeds, the administration of the tax, and the body with authority to determine how the proceeds will be spent. A summary of these provisions is detailed in the chart below.

UNIFORM OCCUPANCY TAX PROVISIONS
Rate – The county tax rate cannot exceed 6% and the city tax rate, when combined with the county rate, cannot exceed 6%.
Use – Two-thirds of the proceeds must be used to promote travel and tourism and the remainder must be used for tourism-related expenditures.
