

# SENATE BILL 157: Limited Provisional License Modification.

2023-2024 General Assembly

<b>Committee:</b>	House Transportation. If favorable, re-refer to Rules, Calendar, and Operations of the House	<b>Date:</b>	April 5, 2023
<b>Introduced by:</b>	Sens. Sawyer, Lazzara, McInnis	<b>Prepared by:</b>	Wendy Ray Staff Attorney
<b>Analysis of:</b>	Second Edition		

### OVERVIEW: Senate Bill 157 would:

- Reduce the minimum amount of time a teen must hold a Level 1 limited learner's permit before applying for a Level 2 limited provisional license under graduated drivers licensing.
- Provide that when a vehicle driven by an unsupervised Level 2 limited provisional licensee has a family/household member passenger under the age of 21, the vehicle may also have one non-family/non-household member passenger under the age of 21 when that passenger is a student being driven directly to or from school.

[As introduced, this bill was identical to H261, as introduced by Reps. Shepard, Iler, which is currently in the House Transportation Committee.]

**CURRENT LAW AND BACKGROUND:** Under North Carolina's graduated drivers licensing statute (G.S. 20-11), there are three levels of driving privileges for persons less than 18 years old:

Level 1 – limited learner's permit; Level 2 – limited provisional license; and Level 3 – full provisional license. Each level has different statutory requirements for eligibility and restrictions that apply to the privilege (see chart on page 3 for detailed requirements and restrictions for each level.)

### Level 2 Eligibility

In addition to other requirements, a teen must hold a Level 1 limited learner's permit for a minimum of 12 months before applying for a Level 2 limited provisional license, and must hold a Level 2 limited provisional license for a minimum of six months before applying for a Level 3 full provisional license. A Level 3 full provisional licensee is not subject to any limitations regarding time of driving, supervision, or passengers.

S.L. 2021-24 temporarily shortened from 12 months to six months the minimum amount of time a teen must hold a Level 1 limited learner's permit before applying for a Level 2 limited provisional license. This change allowed teens who were delayed in starting the graduated licensing process because of the pandemic to progress more quickly, as long as all other eligibility requirements were met. The shortened period was set to expire on December 31, 2021, but the expiration date was extended to December 31, 2022 by S.L. 2021-134. As of January 1, 2023, the original 12-month waiting period is in effect.

### Level 2 Passenger Restriction

A Level 2 limited provisional licensee is permitted to drive during certain times of the day without supervision, subject to certain restrictions. One of these restrictions is that there can only be one passenger under the age of 21 in the vehicle who is not a member of the driver's family or household. This limit does not apply to members of the driver's family or household. However, if there are any family/household

member passengers under the age of 21 in the vehicle, there cannot be any non-family/non-household member passenger under the age of 21.

## **BILL ANALYSIS:**

### **Level 2 Eligibility**

**Section 1** of the bill would temporarily reduce from 12 months to six months the minimum amount of time a teen must hold a Level 1 limited learner's permit before applying for a Level 2 limited provisional license, until January 1, 2024.

**Section 2** would permanently reduce from 12 months to nine months the minimum amount of time a teen must hold a Level 1 limited learner's permit before applying for a Level 2 limited provisional license, beginning January 1, 2024.

### **Level 2 Passenger Restriction**

**Section 3** would provide that when an unsupervised Level 2 limited provisional licensee is driving a vehicle with a family/household member passenger under the age of 21, the vehicle can have one other passenger under the age of 21 who is *not* a member of the driver's family or household, as long as that passenger is a student being driven directly to or from school.

**EFFECTIVE DATE:** Section 1 is effective when it becomes law, and expires on December 31, 2023. Section 2 becomes effective January 1, 2024. Section 3 becomes effective August 1, 2023 and applies to offenses committed on or after that date.
