

SENATE BILL 607: Regulatory Reform Act of 2024, Sec. 22.1: Delivery of Permits Issued by State Agencies

2023-2024 General Assembly

Committee:		Date:	August 29, 2024
Introduced by:		Prepared by:	Howard Marsilio Staff Attorney
Analysis of:	Sec. 22.1 of S.L. 2024-45		

OVERVIEW: Section 22.1 of S.L. 2024-45 requires executive branch, county, and city agencies to establish a policy to send permits issued by the agency using certain methods instead of requiring the permittee to receive in-person delivery at an office or physical location.

This section became effective July 9, 2024.

CURRENT LAW/BILL ANALYSIS: Section 22.1 of S.L. 2024-45 requires each executive branch, county, and city agency to establish a policy to send any permits issued by the agency using one or more of the following methods instead of requiring the permittee to receive in-person delivery at an office or physical location:

- By United States Mail or a designated delivery service authorized under 26 U.S.C. 7502(f)(2). The agency can charge for the costs of delivery.
- By electronic mail, if appropriate, with the permittee's consent.

A permittee is permitted to receive a permit in person if the agency offers in-person pick up but is not required to do so. An agency is not restricted from adopting policies to exercise due diligence in verifying a permittee's identity. Moreover, these changes are not intended to change the application process for any permit. These provisions do not apply to concealed handgun permits.

Each executive branch, county, and city agency is required to adopt a policy no later than September 1, 2024.

EFFECTIVE DATE: This section became effective July 9, 2024.
