

2023-2024 General Assembly

SENATE BILL 743: The Disaster Recovery Act of 2024 - Part II, Sec. 4G.1: Extend Emissions Inspection Mechanic Licenses

Committee:		Date:	January 8, 2025
Introduced by:		Prepared by:	Wendy Ray
Analysis of:	Sec. 4G.1 of S.L. 2024-53		Staff Attorney

OVERVIEW: Section 4G.1 of S.L. 2024-53 requires the Division of Motor Vehicles to extend the validity of emissions inspection mechanic licenses issued to mechanics whose primary place of business or place of employment is in the affected area, if the license is due to expire between September 25, 2024, and March 1, 2025. The "affected area" means counties designated under a major disaster declaration by the President of the United States as a result of Hurricane Helene.

This section became effective October 25, 2024, and expires when the statewide declaration of emergency expires.
