OVERVIEW: Senate Bill 772 would realign the terms of office for members of the Boards of Trustees for Bladen Community College, Cape Fear Community College, Central Carolina Community College, James Sprunt Community College, Johnston Community College, Lenoir Community College, and Sandhills Community College to comply with the statutory staggering of terms.

CURRENT LAW: G.S. 115D-12, as amended by Section 6.10(n) of S.L. 2023-134, requires the boards of trustees of each community college to be composed of the following voting members:

- Eight trustees appointed by the General Assembly, with one appointed upon the recommendation of the Speaker and one appointed upon the recommendation of the President Pro Tempore annually.
- Four trustees elected by the board of commissioners of the county in which the main campus of the college is located.
- Two trustees elected by a board of commissioners in the service area of the college that provides plant funds to the college.

G.S. 115D-13 establishes that trustees are elected to 4-year terms and creates the initial staggering of the terms of office so that a balanced number of seats expire each year.

BILL ANALYSIS: To reestablish the staggering of 4-year terms on the boards of trustees, Senate Bill 772 would make the following changes:

Bladen Community College

- The Bladen County Board of Commissioners will elect to one 2-year term in 2025 and one 2-year term in 2026.
- The General Assembly, upon recommendation of the Speaker, will appoint to one 2-year term in 2026 and one 2-year term in 2027.

Cape Fear Community College

- The Pender County Board of Commissioners will elect to one 3-year term in 2024.

Central Carolina Community College

- The Chatham County Board of Commissioners will elect to one 2-year term in 2025.
- The Harnett County Board of Commissioners will elect to one 1-year term and one 3-year term in 2025.

James Sprunt Community College

- The Duplin County Board of Commissioners will elect to one 2-year term in 2025.
