HOUSE BILL 437: Drug-Free Zones/Unauthorized Public Camping, Sec. 1: Drug-Free Homeless Service Zones

Analysis of: House Bill 437 (Ratified) , Sec. 1

Date: August 21, 2026

Prepared by: Legislative Analysis
Division Staff

Section 1 of House Bill 437 would have created a Class E felony for anyone who manufactures, sells, or delivers a controlled substance in a drug-free homeless service zone if the person knows or reasonably should know it is a drug-free homeless service zone and a Class H felony for any operator of a facility-based service that intentionally allows a person to manufacture, sell, or deliver a controlled substance in a drug-free homeless service zone.

House Bill 437 was ratified on July 1, 2026, but was vetoed by the Governor and is not current law. If the General Assembly overrides the veto, Section 1 of House Bill 437 would become effective on December 1, 2026, and apply to offenses committed on or after that date.
