Division Staff

Section 1 of S.L. 2025-94 (House Bill 926) directs the Environmental Management Commission (Commission) to implement its rules concerning on-site wastewater systems to allow either a local county health department official or an Authorized On-Site Wastewater Evaluator to prepare and submit site denial letters for subsurface wastewater systems. This section also directs the Commission to readopt its rules consistent with that implementation.

This section became effective October 6, 2025.
