Section 23 of S.L. 2025-70 (Senate Bill 429) allows any local law enforcement agency that has an online crime reporting system to also allow individuals to file online reports of lost or stolen firearms. Online reports of lost or stolen firearms submitted to any local law enforcement agency are not public records under State law. Any person who willfully makes or causes to be made a false report of a lost or stolen firearm is guilty of a violation of the statute governing false reports to law enforcement agencies or officers.

This section became effective October 1, 2025.
