- Grant the Catawba Nation Marshals Service access to all probation and parole records of the North Carolina Department of Public Safety (DPS) to the same extent as a probation or post-release supervision officer of DPS for any individual over which the Catawba Nation Tribal Courts have jurisdiction to try and impose a sentence upon.

**Section 2** would include the Catawba Indian Nation in the exchange of criminal and civil information between the Judicial Department and local, State, and federal governments and the Eastern Band of Cherokee Indians provided by the Administrative Officer of the Courts.

**Section 3** would require copies of the appellate division reports to be provided to the Catawba Nation Tribal Courts, as is currently required for the EBCI Cherokee Supreme Court.

**Section 6** would provide that nothing in this act would invalidate any agreement between any county and the Catawba Indian Nation in existence at the time this act becomes effective.
